

KEYBOARD/PIANO – Homework, Week 3

Play “middle C” and any other note together to make a CHORD. Then try 2 different notes to make a different chord. Try one hand first.....then the other.

Now try both hands together...on any notes.

PARENTS – If you don’t have keyboard/piano at home there are many online “virtual piano” options that are great for learning and practice, such as his one.

Practice “**Old MacDonald Had A Farm**” at home or school. (for keyboards, try using different sounds – perhaps some animal sounds ?)

C C C G A A G / E E D D C (play twice)

Animal noises - G A C G A C G A C (play the notes together as a CHORD)

C C C G A A G / E E D D C

(Remember to spread your fingers across all notes)

Have fun !
