SCHOOL COUNCIL

Dear Parents,

As the School Council, we have been elected by our class mates to put forward all the children's ideas and opinions for what would make things better for us here at school. School Councils in the past have been involved in lots of projects and initiatives and now we would like to support our school by helping out.

As the School Council for 2019/20, one of the projects we would like to do this year is to raise awareness of recycling and encourage Clewer Green to use less single use plastic. We would like to ensure that the waste from our playtime fruit snack is composted and that any litter and packaging is recycled as much as possible. We will be discussing ways of reducing our food waste at lunchtime and encouraging parents, teachers and children to reduce the amount of single use plastic that is used on a daily basis in classrooms and at lunchtimes.

We have decided to have a Mufti Day to help promote what we are aiming to achieve. On **Friday 14th February** we would like the children to come into school dressed in something green (either head to foot in green clothes, or just e.g. a pair of green socks with your school uniform) and contribute a suggested £2. The money raised will help go towards the funding of new recycling bins in each classroom, compost bins in the playground and food bins in the dining hall but primarily for rewards and encouragement for the children in the school who recycle through rewarding badges/stickers etc.

Thank you very much for your support.
