**'Inspiring Children'**

Vision: Every child has been blessed by God with unique potential. Our vision for Clewer Green is to inspire and nurture children in a safe, happy and caring Christian community, where everyone is valued and enjoys learning.

## **PE PREMIUM**

*P.E. and School Sport play a very important part in the life of Clewer Green. Through PE we wish to provide our children with the opportunities to be physically confident, develop fundamental sports skills and lead healthy lifestyles. We encourage our children to take part in competitive sports as well as to nurture respect, co-operation and fairness towards others.*

### **Funding Allocation**

The premium will be used to fund additional and sustainable improvements to the provision of PE and sport, and to encourage the development of healthy, active lifestyles. Allocations for the academic year 2020 to 2021 are calculated using the number of pupils in years 1 to 6, as recorded in the January 2020 census, as follows:

- schools with 17 or more pupils receive £16,000 plus £10 per pupil

Clewer Green received a payment of £18,280 for 2020/21 academic year.

We are therefore delighted to be able to use the sports premium funding to support the development of P.E. and school sport in the following ways:

- To increase participation levels in competitive sport and healthy activity of pupils;
- To understand and value the benefits of high quality PE and sport through a variety of clubs provided;
- To provide high quality professional development opportunities for Teachers and Teaching Assistants.

Our overall aim is to raise standards in P.E. and school sport, increasing the participation and opportunities offered to our children. We aim to provide higher quality lessons and improved learning for all.
