### 'Inspiring Children'

Vision: Every child has been blessed by God with unique potential. Our vision for Clewer Green is to inspire and nurture children in a safe, happy and caring Christian community, where everyone is valued and enjoys learning.

*'I can do all things through him who strengthens me'*

*Philippians 4:13*

### SCHOOL COUNCIL

Dear Parents,

As part of our recycling drive here at Clewer Green we would like to invite all children to take part in a fun competition. We would like to see who can be the most creative at upcycling and make something out of materials that would normally be recycled or thrown away. Upcycling is a way of recycling creatively, turning items that would otherwise be unused into functional and useful things. This could be as simple as a pencil pot out of a food tin, a plant container from a plastic bottle or you can be as creative and imaginative as you can!

The School Council led an assembly today to introduce the competition to the whole school and they also talked about what they would like to achieve with recycling, composting and using less single use plastic.

If you would like to take part, please bring in your entries in the week beginning **Monday 24<sup>th</sup> February** with the deadline being on **Friday 28<sup>th</sup> February**. The entries will be judged in each Key Stage and there will be prizes for the winners.

Good luck with your upcycling!

Thank you very much for your support.
