

Warm Welcome to the New Parents

Hello to all of the new parents and a very warm welcome to Clewer Green School from the 'Friends' Committee.

We hope your child's first couple of weeks at school have been a great success and that they are settling in well. We are extremely fortunate here to have fantastic Foundation Stage Teachers, TA's and other Assistants.

In fact we are lucky to have a whole host of great teachers at Clewer Green School, which I'm sure is one of the many reasons you chose to send your child here.

As you may, or may not know, the PTA here is known as Friends. We try to meet every six weeks to discuss fundraising ideas, activities and ways that we can assist the school with other things they need.

We always welcome new volunteers in whatever way they can help. Normally at this stage we would offer new parents a welcome pack full of goodies and information on us and the fundraising activities that took place last year. Due to COVID this is not possible this year hence we are trying to find another ways around this so that you can get to know us.

We are now at a stage where Friends wants to help and support parents and not focus completely on fundraising. We are very aware that COVID has hit lots of families' financial situations very badly and we want to support them. We have lots of fun ideas and support options coming soon (please keep an eye out on the newsletters being sent out and the Facebook posts, where we announce our events and news).

With this in mind can you please register your Amazon Smile Account to Clewer Green School. This enables us to get a percentage of what you spend on Amazon, it's totally free to join and can really help the school immensely. Alongside this is another super fundraising site called www.easyfundraising.org.uk, please find further details on the Clewer Green Parents Group Facebook page.

If you can please ensure you join the 'Clewer Green Parents Group' Facebook page ASAP if you haven't already done so. This group is for parents of pupils only and is very useful. Here you will find lots of valuable information and also a list of all our upcoming events.

The committee is made up of six members of parents that have children in different years.
