

Clewer Green Personalised Christmas Cards 2020

We are participating again this year in a Christmas fundraising project which enables our children to design and have printed, their own unique Christmas cards. This generates money for the school whilst providing a personalised Christmas gift and keepsake for families.

From 9th October you will have the opportunity to pick up an order form and information leaflet from water-tight boxes in the front and back playgrounds. Please take from the box in the playground you drop off/pick up your child. There will be hand sanitisers by each box and we recommend leaving paperwork 48 hours once you get it home.

The blank sheet on the back of the form is for your unique Christmas design. Try to fill most of the blank page with your colourful Christmas design. Here are some ideas:

Complete your unique design with your child at home. You can decide which product your design will be printed onto e.g. Christmas cards, thank you cards, gift wrap or sticky present labels. Your child's name and class will be printed on there.

On the reverse of the design sheet, complete the order form carefully - check your child's name is correctly spelt and state clearly the quantity of each product you would like to order.

Please make payment by electronic bank transfer; account details are on the order form. Please use your child's **surname and class** as reference when completing the online payment.

All completed design sheets/order forms should be placed into the box in your playground between 19-21 October. Please do not staple anything to the form. There will be hand sanitisers for you to use and please respect social distancing rules. We will be leaving paperwork untouched for 48 hours before handling.

Any queries please contact Laura Flisher 07966134773 (Mabel, Year 2) or Lorna Coe (Daniel, Year 2), or email friendsclewergreen@gmail.com

We hope you enjoy making some special Christmas designs, whilst also raising money for our school.
