## 1. Admission applications

Applications for admission to the school into Year 7 for September 2027 must be made by **31 October 2026**. Applications can be submitted online or on form SA3. The online application system, as well as form SA3 and other parental information, can be accessed at [Apply for a secondary school place | Cumberland Council](#)

Parents will be notified of the outcome of their application by the Local Authority on National Offer Day (1 March 2027). Parents/carers of children not offered a place will be informed of the reason and offered an alternative place by the Local Authority. Applicants will also be informed of the right to appeal.

## 2. Admission procedure

Cockermouth School's published admission number (PAN) of places available for admission to Year 7 in September 2027 is **196**.

The Admission Authority operates a system of equal preferences under which they consider all preferences equally and the Local Authority allocates places in accordance with the Coordinated Admissions Scheme.

## 3. Oversubscription

After the admission of students with an Education, Health and Care Plan (EHCP) that names Cockermouth School, and where it has been agreed that we are able to meet their needs, applications for admission being greater than the published number will be considered against the criteria set out below:

1. Looked after children and previously looked after children, including those previously looked after outside of England, will be admitted as top priority. A looked after child is a child who is a) in the care of the Local Authority, or b) being provided with accommodation by a Local Authority in the exercise of their social services function<sup>1</sup> at the time of making an application to the school. Previous looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order). It is the responsibility of the parent or carer to provide appropriate documentary evidence with the application, as without this it will not be possible to consider the application under criteria 1.
2. Children living in the catchment area who have brothers or sisters in the school at the time of admission<sup>2</sup>.
3. Students living outside the catchment area who, at the time of their admission, have brothers or sisters in the school who were allocated a place at that school by the Local Authority either a) in the absence of a place being available in the catchment area school due to oversubscription and the school was identified by the Local Authority as the next nearest with a place available, or b) the school is named in the sibling's Education Health and Care Plan<sup>2</sup>.
4. Other students living in the catchment area.
5. Students living outside the catchment area who have brothers or sisters on the roll of Cockermouth School and who will still be on the roll, at the time of the sibling's admission<sup>2</sup>.

<sup>1</sup> See the definition in Section 22(1) of the Children Act 1989.

<sup>2</sup> In criteria 2, 3 and 5, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and includes step and foster children. Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school at the time of admission.

6. Children who attend one of the following feeder primary schools whose students usually transfer to Cockermouth School for their secondary education; All Saints CE School, Bridekirk Dovenby CE Primary School, Broughton Primary School, Dean CE Primary School, Eaglesfield Paddle CE Primary Academy, Fairfield Primary School, Lorton Primary School or St Bridget's CE Primary School
7. Children of staff where the member of staff has been employed at the school for two or more years at the time at which the application for admission is made, or the member of staff has been recruited to fill a vacant post, for which there is a demonstrable skill shortage.
8. Students living outside the catchment area.

Where there is a need to prioritise places within any of the above criteria, priority will be given to those students who live nearest to the school<sup>3</sup>.

In the event of a tiebreak under relevant criteria, when all other factors are equal, random allocation will apply.

If the last student to be offered a place within Cockermouth School's PAN is a multiple birth or same cohort sibling (including adopted siblings, step-siblings, and those living as siblings in the same family unit) any further sibling will be admitted, if the parents/carers so wish, even though this may raise the intake number above the school's PAN. The PAN will remain unchanged so that no other students will be admitted until a place becomes available within the PAN.

#### 4. Late applications for admission

Late applications will be considered according to the Local Authority's Coordinated Admissions Scheme<sup>4</sup>.

#### 5. Waiting list

Once places have been allocated, children refused a place will continue to be considered for any vacancies which become available up until the end of the Autumn Term 2027. Vacancies will always be allocated by applying the oversubscription criteria (section 3) in our Admissions Policy, and length of time on the waiting list will not be a consideration.

#### 6. Applications for places outside the normal admissions round (in-year admissions)

It sometimes happens that a child needs to change school other than at the 'normal' time. Parents/carers need to complete an in-year admission application form available from the school or on the school website – [www.cockermouthschool.org](http://www.cockermouthschool.org).

Alternatively, parents can choose to complete an SA8 form that is available from the Cumberland County council website – [www.cumberland.gov.uk](http://www.cumberland.gov.uk) or by contacting the School Admissions Team, for them to forward to the school.

The outcome of the application will be notified to the parent/carer within ten school days.

Where a parent or carer wishes to change school for any reason that is not caused by a change of address, the Local Governing Board will only offer a place at Cockermouth School where a space is available.

<sup>3</sup> Distance measurements will be undertaken using the Local Authority's computerised Geographical Information System [GIS]. This measures a straight-line measure between the centre of the student's home address and the main entrance to the school building as determined by the LA in conjunction with the Headteacher at the time the determination was made.

<sup>4</sup> Section 12 (1)

If there are places available in the year group then applicants will be admitted, unless to do so would prejudice the provision of efficient education or use of resources. This may mean that applications are refused even if the year group is under the number of students in the agreed curriculum model.

In-year admissions to Year 10 and Year 11 will be considered on an individual basis and a decision will be made that takes into account how successful transition is likely to be at that stage of the student's academic journey. Cockermouth School reserves the right to decline a place in these circumstances.

If the number of applicants for a year group exceeds the number of places available, the oversubscription criteria detailed in this policy will be applied.

When an application for a place is successful, the parent/carer will be contacted and a start date will be agreed. In exceptional circumstances this place may commence more promptly, but typically it will commence from the first day of the term which follows the receipt of form SA8 (request for an in-year admission place) or as soon as is practically possible afterwards.

When an application for a place is refused, the reason for the refusal will be set out in the letter and information about the right of appeal will also be provided.

Parents/carers whose child is refused a place, can request that their child's name be added to a waiting list to be considered should a place become available in the relevant year group.

Any places offered must be taken up within six (school) weeks or it may be withdrawn and offered to another applicant.

## **7. Admission outside a normal age group**

Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented students, children who have previously been educated outside of their normal age group or for those who have experienced problems, e.g. having missed education due to ill health, etc. Each case will be considered on its own merits and circumstances. However, cases will not normally be agreed without a consensus that to do so would be in the student's interests between parents, the previous school and any relevant professions asked for their opinion by the Local Governing Board Admissions Committee. Those refused places outside the normal age group will be informed of their statutory right of appeal.

## **8. Children of UK Service personnel and crown servants**

Any admission requests received for children of UK service personnel and crown servants will be processed in line with the school admissions code 2021, paragraph 2.21.

## **9. Appeals**

Where the Admission Authority is unable to offer a place because the school is oversubscribed, parents/carers have the right to appeal to an Independent Admission Appeals panel<sup>5</sup>. Parents/carers who wish to lodge an appeal should notify the Clerk to the Independent Admission Appeals Panel c/o Cockermouth School within 20 days of receiving the letter refusing a place.

Parents/carers will have the opportunity to submit their case to the Independent Admission Appeals panel in writing, and to attend in order to present their case in person. They will normally receive 10 school days' notice of the place and time of the hearing.

---

<sup>5</sup> Set up under the School Standards and Framework Act 1998, as amended by the Education Act 2002

The Clerk to the Independent Admission Appeals panel can be contacted c/o Cockermouth School. The Clerk of the panel, its Chair and all its members, are independent of the school and of our staff, Governors and Trustees.

Please note that the right of appeal against the Admission Authority's decision does not prevent parents/carers from making an appeal to another school.

## **10. Fraudulent applications and withdrawal of school place**

Cockermouth School will not withdraw an offer of a place unless it has been made in error or it is established that the offer was obtained through a fraudulent or intentionally misleading application. Where an offer is withdrawn on the basis of fraudulent or misleading information, the application will be considered on the basis of the correct information.

Where parents or carers are found to have made a fraudulent application for a school place and Cockermouth School decides not to withdraw that place in the best interest of the child, should a school place be sought for any other sibling or siblings, the criteria that provide a higher priority for a school place for siblings will not be applied.

Where an offer of a school place is made, parents or carers must respond to Cockermouth School to formally accept the place. If the school place is not accepted by the date specified in the offer letter, Cockermouth School reserves the right to withdraw the place and offer it to another student.

## **11. Admission to Cockermouth School Sixth Form for students aged 16 or over**

Cockermouth School's published admission number (PAN) of places available for admission to Year 12 in September 2026 is 120.

The oversubscription criteria (in section 3) will be applied, in the event that there are more applicants than there are places available.

All students will need to have achieved English Language (and/or) English Literature and Maths GCSE at a minimum of Grade 4 or 5. (Students may have Maths at Grade 5 and English/English Literature at Grade 4 OR English/English Literature at Grade 5 and Maths at Grade 4.) For automatic acceptance onto A Level and Level 3 courses, students will need to have achieved the entry requirements for the subjects they wish to study. For most subjects, this is either a Grade 5 or 6 in the most closely related GCSE. For vocational subjects, the entry requirement will be Grade 5 in the qualifying subjects.

- All individual subject entry requirements will be published in the Sixth Form Subject Information Booklet on our school website, updated each year.
- An appropriate course of study must be available for the student.
- An individual student must be prepared to follow a course of study recommended by the school.

A clear agreement is sought that students will commit themselves to the expectations required of a Sixth Form student in terms of their work, behaviour, attendance and dress. Progression into Year 13 is dependent upon satisfactory progress and attendance in Year 12. Our Sixth Form Learning & Attendance Agreement can be found on the school website.
