1. Careers education information and guidance in schools

- Following the Education (Careers Guidance in Schools) Act 2022 all schools and academies are required to secure independent careers guidance for students from Year 7-13.
- Careers Education Information and Guidance (CEIAG) plays an increasingly important role in education and there have been a number of informative publications, which provide a framework for the provision of careers education and guidance.
- The <u>Gatsby Foundation Good Career Guidance</u> (2014) highlights eight good practice benchmarks, which schools were challenged to meet. This work is ongoing and provides an invaluable structure as we continue to refine, develop and improve our careers provision.
- The <u>Careers guidance and access for education and training providers</u> (January 2023) from the Department for Education also gives clear information about schools' roles and statutory duties regarding their careers provision.
- These two publications form the basis of our careers plan.
- From September 2018 schools should publish details of their careers programme so that it is known and understood by students, parents/carers, teachers, governors and employers. The school should invite feedback on the plan from these groups as part of a regular evaluation of the careers programme. The plan should demonstrate how the school is responding to meeting the 8 Gatsby benchmarks.
- From January 2023 the provider access legislation was strengthened to ensure that schools were allowing a range of education and training providers to access students in Years 8-13, with all students receiving a minimum of six provider encounters.

2. Our vision

- At Cockermouth School we are determined to ensure that an extensive programme of careers education is provided to all students throughout their time with us and we have as a focus that all students are provided with access to high quality, impartial and unbiased careers information and equal opportunities for careers education from Year 7 onwards.
- Effective delivery of CEIAG, which includes provision for self-development, employability skills and career exploration which will enable students to have a greater understanding of the requirements for their own particular career interests.
- The extensive range of qualifications and pathways that exist post-16 and post-18 mean that it is crucial we continue to provide students with high quality advice and guidance to ensure that they are well-informed to make aspirational and positive choices about their futures.
- We intend to continue developing our relationships with our Careers and Enterprise adviser, the Careers Hub and Inspira, alongside local and national employers and education providers to secure high-quality advice and experiences for our students.
- The ever-changing labour markets and the uncertain political and economic situation in the UK and beyond mean that we recognise that our role here in school has become even more important moving forward in giving the best quality support and guidance.

3. Our journey last year in 2023/24

- We are part of a successful CEIAG schools' network in the west of Cumbria and were the Lead School for the West until July 2022. Since then we have continued to work closely with the Cumbria Careers Hub and the Careers and Enterprise Company. This relationship, with Cath Dutton as the hub manager has supported us as a school, but has also ensured that all schools in the county have access to an Enterprise Adviser and Enterprise Co-Ordinator enabling us all to work towards achieving the 8 Gatsby Benchmarks and identify, develop and share best practice from within the county and beyond.
- In September 2022, Ian Routledge (Assistant Headteacher Careers, Transition, Engagement) routledgei@cockermouthschool.org tel. 01900 898888 was appointed as our Careers Leader.

- In 2023/24 Nina Porter was our Enterprise Co-Ordinator, she was replaced on a temporary basis by Jo Tate.
- Our Enterprise Adviser is Kathryn Walker, a Community Engagement Advisor from Morgan Sindall. Kathryn was joined in this role by Mike Smith MBE. We are looking forward to receiving strategic support for our school careers programme from both Kathryn and Mike in 2024/25.
- We are fortunate to have access to the Business Energy Coast Business Cluster. Business School Engagement Events sourced through the cluster and set up with support from Inspira, enable our students to gain a better understanding of the world of work as well as meet local employers who are members of the cluster.
- We were pleased throughout 2023/24 to be able to invite employers from a range of employment sectors into school, offering a range of different opportunities for our students, including employability and world of work events, along with regular guest speakers during assembly slots.
- Ensuring that students hear about the full range of education and training options, including technical education qualifications and apprenticeships is very important to us as a school and we ensure we comply with the newly strengthened Baker Clause.
- It is important to recognise that careers education is not just about these special events and developing those crucial employability skills through our curriculum is very much at the heart of what we aim to achieve.
- We know that this provision can only take place with the invaluable support of our local employers. If you believe you could help with any of our employer engagement events, or indeed work with any of our subject leaders in providing support within the curriculum then please get in touch with the school; we would love to hear from you.

4. Years 7-11

- The school's PD (Personal Development) programme, delivered by a specialist team of teachers incorporates many careers-based activities throughout Years 7-11, although all subject areas also have a key role to play in this process. All Heads of Department are encouraged to provide opportunities for students within lesson time to show direct links to employment opportunities from within their own subject area.
- Other careers-based activities and events are co-ordinated by our pastoral teams. We also invite a range of outside speakers and providers into school to provide up to date information on a range of careers and pathways.
- We invited the BBC into school for the BBC bitesize school careers tour, where Year 7-10 students got to hear from a panel of guests.
- We organised whole schools careers events in Year 8 and Year 10 (futures week) where all students benefited from specific careers workshops.
- The transitions between key stages are particularly crucial and students and parents are provided with clear advice and guidance, especially during the preferences processes in both Years 9 and 11 with information evenings and personal 1:1 guidance as part of this process
- Students use the Unifrog careers software from Key Stage 3 to explore and develop their knowledge of a range of careers and can track their own careers experiences.
- Information on apprenticeships, job opportunities, technical education qualifications and the current labour market are shared with students.
- Careers information is provided for families on the website and on Firefly (the schools VLE), whilst information, advice and guidance on careers, options and pathways is also given at different parental events throughout the academic year.
- All students in Year 10 complete a week-long work experience programme in the summer term. We ran successful placements for Year 10 in July 2024 and use Cumbria Work Experience to support with the Health and Safety checks.

5. Years 12 and 13

• The sixth form team organise their own futures programme, which runs in Year 12 and 13 and incorporates futures assemblies and trips to a variety of universities and access to a range of employers and apprenticeship providers.

- In addition, they run a successful employability skills day and throughout the year the pastoral programme ensures tutors continually coach their tutees on a range of activities linked to futures.
- The use of Unifrog (careers software) to track and map students' progress continues to engage students, tutors and parents too.
- The team run a futures evening for Year 12 parents giving clear information about university courses, apprenticeships, the UCAS application process and future career pathways.
- The team also have a dedicated support worker who provides high quality, up to date careers advice and guidance for students. She has completed her Level 6 Careers Guidance qualification and from September 2021 has been in a position to offer the impartial careers advice to our students.
- Students are also signposted to a range of activities through our firefly page https://cockermouth.fireflycloud.net/sixth-form/careerfutures
- All sixth form students usually complete a week-long work experience programme. In July 2024, students went out and took part in face-to-face work placements. We use Cumbria Work Experience to support with the Health and Safety checks.

6. Overview of the careers programme

Year 7 – 11 overview. Careers Education taught through Personal Development lessons.

Unifrog Year plans

On the following pages are blended learning plans for each year group, from which appropriate key stage specific activities are then are used with students.

Each student is signed up to Unifrog from year 7 and tasks are set for students to support them on their journey through school.

The key benefits of using Unifrog are that it provides:

- flexible provision that can adapt to changing circumstances.
- in-school and remote sessions to explore opportunities.
- activities for students which can evidence their personal and career development.
- tracking of CEIAG interactions to support us in meeting the Gatsby Benchmarks.

Year 12 and 13 Overview: Cockermouth School Sixth Form UCAS Overview

	Year 12
Date	Activity
September	Unifrog launch
September - December	Recording of competencies and activities on Unifrog. Initial research of options Post 18
December	Post 18 choices task completed on Unifrog
January	Identification of Oxbridge candidates
January - July	Post 18 option research continues. Students actively work on what they need to do to support their application and put a plan in place such as additional reading; MOOCs; work experience etc. Students encouraged to apply for summer schools and plan open days.
March	Oxbridge Preparation
April	Internal Exams
June	Post 18 Information evening for Parents. Students register on UCAS.
June - November	Workshops available to students to support the writing of their Personal statement.
June - July	Sessions will be available to Parents and students for UCAS and apprenticeships through the Sixth form team. Open day visits.
15 th June	UCAS Application to have been completed except for the course choices and personal statement and checked by tutors
July	Work Experience
July (date TBC)	Personal Statement first draft deadline for all early applicants
July – September	Students firm up course choices.
	Year 13
September (date TBC)	Students ensure that where applicable they are entered for the appropriate entrance exam. Internal assessments.
September (date TBC)	All students in conjunction with Parents/carers to have completed first draft of their personal statement for the subject/course they plan to study.
September - November	Students firm up course choices and complete personal statement
September (date TBC)	Predicted grades published for UCAS references
October	School deadline for early applicants
October (date TBC)	UCAS early entrant deadline
November (date TBC)	SCHOOL DEADLINE FOR ALL UCAS APPLICATIONS
January	Final submission date for UCAS applications
February	Internal Mocks. Student finance opens
March - May	Possibility of being able to visit universities for Post Offer days
January - June	Students to make decisions on their firm and insurance courses
Мау	Student finance applications close
June	Deadline to make firm and insurance decisions
August	Results day – confirmation of places or clearing

7. Activities and events in school

The table below shows some of the other key events and activities taking place during the school year. The school calendar on Firefly, letters home to parents and messages via Firefly and Edulink One will provide more information about when and where these events will take place. We will update this list during the year as other events are added.

Event	Year group	Benchmark	Term
WOW day (World of work day) – variety of sessions, employers and providers.	10	1,2,3,5,7	Summer
Employability day - variety of sessions, employers and providers.	12	1,2,3,5,7	Summer
Careers Weeks	All	1,2,3,4,7	Autumn / Spring / Summer
Work Experience Week	10 / 12	1,2,3,6	Summer
Key Stage 3 Careers Event	8	1,2,3,5,7	Spring
Future Pathways Programme	9	3	Spring
Careers meetings with Level 6 advisor	All years	3, 8	All year
Careers Meetings with Inspira	9/10/11	3,8	All year
REACT Science events	7/8/9	4,5	Autumn
Young enterprise	12	1	Summer
NCS scheme	11	1,3,6	Summer
Duke of Edinburgh Scheme	10	1,3,5	Spring / Summer
Dream Placement	12	6	Spring
Preferences process	9	1,3,4	Autumn
Transition meetings	11 / 13	3, 8	Autumn / Spring
Futures information for parents and students	10/11/12	1,3,7,10	Autumn
Careers talks	All	1,2,3,5	All year
Assertive Mentoring	11	1,3	Spring
Ongoing work placements	11/12/13	1,6	All Year
Skills and Enterprise event	9	4	Spring
NHS Presentation	8	1,3,4,5	Autumn
BAE Presentation	7 and 8	1,3,4,5	Autumn
SEND introduction to the world of work	7	1,3,5	Summer
SEND – post 16 world of work transition event	11	1,2,3,5,7	Autumn
Festival of Work event	9	1,2,3,5,7	Summer

8. Assemblies and external speakers for KS3/4

Over the past few years we have invited a range of external speakers into assemblies to talk to students throughout Key Stage 3 and 4. Providers from further and higher education have also presented to relevant year groups to advise on suitable pathways and courses for students. This programme was disrupted by the pandemic, but we have seen increasing numbers of visitors returning to our school following the removal of restrictions.

We are very grateful to the range of employers who have given up their time to come and speak to our students and would welcome offers from other employers interested in working with our young people during the current academic year.

Other drop-down days and events (including our world of work / employability days) involving multiple employers and providers are referenced in the previous section.

9. Development priorities

Our priority and objective in 2024/25 is to fulfil each of the 8 Gatsby benchmarks, with a focus on benchmarks 3, 4 and 7.

The eight Gatsby benchmarks of Good Career Guidance:

- A stable careers programme
- Learning from career and labour market information
- Addressing the needs of each student
- Linking curriculum learning to careers
- Encounters with employers and employees
- Experiences of workplace
- Encounters with further and higher education
- Personal guidance

Benchmark	Priorities based on areas for development
Benchmark 1 – A stable careers programme	 To upload the approved careers programme and provider access policy on to the school website for 2024/25. To continue to develop the website and VLE to make it more interactive for all stakeholders. To continue to gain feedback as appropriate from students, teachers, employers and parents, through surveys and follow up on any areas for development. To review the careers content with the Head of Personal Development, Pastoral Leaders and Sixth Form team To continue to develop close relationships with Enterprise Advisor, Enterprise Co-Ordinators and Inspira ensuring that positive careers meetings are held each term. To ensure that careers team to ensure that responsibilities are more clearly defined and shared and that progress is embedded. To create a strategic plan with SLT and Trustees and to ensure it is understood and approved by all stakeholders in 2024/25.
Benchmark 2 – Learning from career and labour market information	 To ensure that careers information is disseminated via Pastoral Leaders and form tutors to students. To use the website, the VLE and social media feeds to share up to date career and labour market information and to promote successful events and interactions To regularly update careers information on notice boards around the school. To use the Labour Market Information provided by the Careers Hub to deliver specific sessions to all students in registration periods throughout the year.
Benchmark 3 – Addressing the needs of each student	 To ensure students across Key Stages are able to access and are accessing Unifrog software. To ensure staff are suitably trained to use the Unifrog software to track students and ensure that systematic and accurate records are kept on students' career and enterprise experiences using this software. To work closely with Inspira to track any missing students and to confirm destinations of students Autumn 2024.

	 To use intended destinations information and destinations data, to support careers adviser discussions, planning for visits into school and curriculum decisions. To ensure suitability of work experience placements in Year 10 /12 is reviewed to confirm that they are aspirational and match career interests. To work alongside Inspira to ensure that students are effectively tracked for the first 2 years and to continue to develop the system that will allow us to effectively track for the 3rd year by the end of 2024/25. To develop individual opportunities for students in Key Stage 3 that are aimed at raising aspiration.
Benchmark 4 – Linking curriculum learning to careers	 To work with Assistant Headteacher (curriculum) to liaise with all departments in 2024/25 to ensure that links to careers and the workplace are included within curriculum subjects. Record of specific activities to be logged on Unifrog as interactions. Teachers to deliver lesson starters linking their subject area to careers. To work with Enterprise Advisors to develop links with employers able to show relevant career links to subject areas and invite them in to deliver lessons / workshops. To embed system for staff to recognise and reward students for demonstrating employability skills within the classroom. To deliver Inset sessions to all teaching staff as part of the schools 2024-25 CPD programme, with a specific focus on linking curriculum learning to careers.
Benchmark 5 – Encounters with employers and employees	 To ensure that all students in Years 7-13 have a number of meaningful encounters with employers each year. To organise regular careers / futures talks to take place within Key Stage 3 / 4 assemblies. To organise futures events for Year 8 and Year 10 students alongside Inspira. This includes a World of Work day in year 10, where employers from a wide range of job sectors will be invited to attend. To use the enterprise advisors linked to the school to build new and develop existing relationships with local employers and further and higher education providers. To ensure multiple employability opportunities for Year 12 students, offering a wide range of different experiences. To engage in the Hospitality Connect project with a local hotel to provide opportunities for a range of students in Year 10.
Benchmark 6 – Experiences of workplaces	 To increase the opportunities for students to visit workplaces outside of the formal Work Experience programme. To facilitate work experience opportunities for all Year 10 and Year 12 students for 2024/25. To work with Pastoral Lead-Year 10 & 11and Pastoral Support staff to ensure that all Year 10 students undertake a week of work experience during the summer term. To check suitability of work experience placements in Year 10 is reviewed by Pastoral Lead to ensure that they are all aspirational and match their career interests, wherever possible. To work with Pastoral Lead and Pastoral Support staff to ensure that all Year 12 students have a meaningful experience of at least one week of work experience. To introduce Unifrog as the system for monitoring and tracking Work Experience.

An exceptional learning experience for all aspire • enjoy • include • respect • community

Benchmark 7 – Encounters with further and higher education	 To increase the opportunities for students to visit further and higher education providers To continue to build and encourage relationships with a a wider range of further education and higher education providers to ensure a range of encounters for students in Years 8-11. To ensure that Year 12 and 13 students continue to see a range of further and higher education establishments and to oversee the choices made post 18 to ensure that all students make aspirational and positive decisions about their future. To work with the Year 11 tutor team and Sixth Form tutor team to ensure that all students have been given clear information about the range of apprenticeships and courses available post 16 during tutor time and through assemblies. To ensure that further education open days and careers events are publicised through assemblies, tutor time and through the schools VLE and social media channels
Benchmark 8 – Personal guidance	 To ensure that all students in Year 11 & 13 are invited to a 1:1 careers interview with the Careers Advisor. Disadvantaged students to be prioritised for early contact in this process. To offer 1:1 careers interviews to students in other year groups as requested, or as need identified. To ensure that all SEND students and those at risk of being NEET (Not in education, employment or training) at the end of Year 11 are provided with significant support, including regular 1:1 support through Inspira. To ensure that 1:1 careers interviews take place with disadvantaged students in Year 9 (to support Preferences process) and Year 10 (to support Work Experience process) with Inspira.

10. Measuring Impact

The Careers Lead will be responsible for monitoring, evaluating and overseeing the CEIAG provision in the following ways:

- 1) Annual review of the careers plan by the Senior Leadership Team and through regular SLT and governor briefings.
- 2) Termly completion of the Compass review tool with support from the Enterprise Co-ordinator.
- 3) Co-ordinate and support the delivery of CEIAG, working closely with the Head of Personal Development, Heads of Department, Sixth Form and Pastoral Teams.
- 4) Teacher, student, employer and parental responses to activities and events, including work experience placements.
- 5) Analysis of the school's destination data and tracking of students' careers and enterprise experiences.
- 6) Regular formal meetings with external agencies and employers, including Inspira and the Careers and Enterprise advisers.
- 7) Lesson observations, where appropriate.
- 8) Employer feedback following events and subject specific careers contributions within lessons.

11. Useful websites and links for students and parents

Website	Description
www.unifrog.co.uk	Website, which all students have a log-in for, providing detailed information on pathways through to further and higher education and into different careers.
Careerpilot : Plan your future work & study	All the information and tools you need to explore your future career.
www.yeuk.org.uk	YEUK is the leading campaigning and membership organisation dedicated to tacking youth unemployment in the UK.
https://nationalcareersservice.direct.gov.uk/	Provides information, advice and guidance to help you make decisions on learning, training and work.
www.icould.com	Features films of real people talking about their careers and the route they took.
www.careersbox.co.uk	Free online library of careers related films, news and information.
www.ucas.co.uk	Information about university courses and applications.
http://ncfe.org.uk	Information about careers and qualifications you need.
www.successatschool.org	Lots of information about careers sectors, information and advice.
www.plotr.co.uk	For 11-25 year olds with articles and expert advice, plus employer profiles.
www.ratemyapprenticeship.co.uk	Over 7000 reviews by school leavers on apprenticeships and lots of advice and opportunities.
www.getingofar.gov.uk	Information about apprenticeships with video clips and opportunities.
www.healthcareers.nhs.uk	Lots of information, advice and guidance on careers in the NHS.
https://www.thisisengineering.org.uk/	This is Engineering is a campaign to bring engineering to life for young people
www.notgoingtouni.co.uk	Aims to help young people make informed decisions showing opportunities outside of traditional university.
www.parentalguidance.org.uk	Careers information and advice for parents and carers.
https://www.speakersforschools.org/	Helps young people access the top opportunities through free inspiring school talks and eye-opening onsite and virtual work experience.
www.goconstruct.org	Information about careers in the construction industry.
https://nationalcareersservice.direct.gov.uk	For young people aged 13-16. CV Builder, job profiles and lots more.
