Stagecoach	M0613	Brigham, High Brigham	Mr Bryan McFarland bryan.mcfarland@stagecoachbus.com 01900 604588

Cumberland Council operate a 'Spare Places Scheme' for Sixth Form students (who live in catchment) where they offer the spare seats on school buses which are running for students attending in Years 7 – 11, if there is spare capacity.

This year all students managed to get a place on the school bus, however this wasn't confirmed by the county until very late in the summer holidays. We are hopeful that all students coming to Cockermouth School in September 2024 will be offered a place on the school bus, but this cannot be guaranteed.

Cumberland Council currently charge Sixth Form students £504.30 per year for an annual school pass – this is expected to rise by a small amount for the coming year. The bus pass is for the whole year, but can be paid termly – details of how to pay will be given out at the start of term. We ask for payment in the first 1-2 weeks of term, there is no rush to pay before the school term starts.

In the summer term the finance office will email all students who are currently catching the school buses and have applied to Sixth Form, to find out if they want to apply for a seat on the school bus for September 2024. The school then applies to the county on behalf of the students.

Many students who join us from out of catchment travel to Cockermouth School by bus. Some choose to use public transport (provided by Stagecoach), whilst others choose to take places on private buses that travel from different parts of West Cumbria. For further information about these routes, individuals are encouraged to contact providers directly, using the contact details above.
