******BUBBLE CLOSURE - SIBLING ARRANGEMENTS DURING THIS PERIOD OF LOCKDOWN******

I wrote to you in November to explain the Local Authority Guidance regarding the collection of siblings if a child is isolating. This guidance remains unchanged.

Children who are isolating **must NOT come onto school grounds under any circumstances**. Parents can be fined for breaking isolation rules.

I am sorry for the disruption this will cause to those of you who have children in different year groups. You are still expected to bring the non-isolating sibling to school if they have a keyworker place and need to ask another adult to support you in doing this [for example, you stay at home to look after the isolating child and another person brings the non-isolating child]. I am yet to find out how you should do this without breaking lockdown rules.

I have outlined to the Local Authority the challenge this presents to you as parents and I am very sorry for the situation we are in. To reiterate **you are NOT to bring any child who should be isolating due to a bubble closure on to the school premises or indeed have them in or out in public**.

Obviously, anyone who has symptoms or tests positive would definitely not enter the school grounds.

Many thanks,

Miss Fowles
