

### NOTE FROM THE HEAD OF SCHOOL

Dear Parents and Carers,

As we come to the end of this half term, it's been a joy to see how much the children have achieved. Classrooms have been full of curiosity, creativity and plenty of exciting learning, and the children should feel very proud of all they've accomplished.

A heartfelt thank you goes to our families for your continued support. We know there have been lots of seasonal bugs around, and we truly appreciate the effort you've made to keep children in school whenever they were able. Your commitment has helped them stay connected with their learning and with each other.

I would also like to extend a huge thank you to our wonderful staff team. Their hard work, care and dedication have ensured that every child has had a positive start to the Spring term.

Looking ahead, we're already excited for the next half term, including the much-loved celebration of World Book Day. It's always a highlight of the school year, and we can't wait to see the children's creations, please see the letter sent out by Miss McCombe for full details.

We wish Miss Price all the very best as she begins her maternity leave.

We're already looking forward to next half term, with more opportunities for learning and fun ahead. We hope everyone enjoys a well-deserved break and returns refreshed for the adventures to come.

*Miss Budd*

### REPORTING BACK

#### Attendance at CHS

Attendance continues to be a focus in the Spring Term, so let's be in the line at ten to nine every day!

The new challenges so far this year have been "Jump Into January" and "Full House February" with events and vouchers to be earned!

#### Attendance Matters: Key Points for Parents

- Importance of Attendance:** Regular attendance is crucial for your child's learning, progress, and future success. Aim for 98-100% attendance to ensure they access all learning opportunities.
- Reporting Absences:** Notify the school by 9.15am on the first day of absence and maintain contact throughout. Provide valid reasons and supporting evidence if requested.
- Punctuality:** Ensure your child arrives by 8:50 am. Registration closes at 9.25am. Late arrivals after this time will be marked as unauthorised (code U).
- Illness:** Minor ailments like coughs or colds do not always require absence. Contact the school for advice if unsure.
- Medical Appointments:** Schedule appointments outside school hours whenever possible. Provide evidence for appointments during school hours.
- Leave of Absence:** Requests must be made at least 20 days in advance and will only be authorised in exceptional circumstances. Unauthorised absences may lead to penalties.
- Rewards for Attendance:** Pupils with 100% attendance during themed campaigns will be entered into prize draws and invited to special activities.
- Support for Attendance:** If barriers to attendance arise, contact Miss Moore (Family, Welfare, and Safeguarding Lead) at 0121 779 8070 for assistance.

**Let's work together to ensure every child achieves their full potential!**

#### Year 4 - Speed Stacking

A massive well done to our Year 4 champions who made it through to the county finals

#### Little Red Cap – 19<sup>th</sup>-23<sup>rd</sup> January 2026

The Big Brum Theatre have returned to Coleshill Heath with "Little Red Cap". This classic tale has been freshly adapted by Big Brum, working with writer Chris Cooper. Through it, the children came to explore and understand the world in which we live and particularly *knowing* and *not knowing* : why the mother tells her daughter not to worry; and the insatiable hunger of the ever-present wolf.

The children had a fantastic time and the Theatre thanked us for being so welcoming!

#### National Storytelling Week

National Storytelling Week - the event takes place every year and is a celebration of the power of sharing stories. Sharing stories is a fantastic way to be creative and relax, it also helps children to learn about the world and boosts vital literacy skills.

The theme for National Storytelling Week 2026 was to soundtrack your story. Everyone has their own musical story - whether it's in the songs we love and the music we dance to, through British Sign Language and the rhythms we feel, the soundscapes of everyday life, or the soundtracks we hear in films and games.

### ***The Resilient Kid – 26<sup>th</sup> January 2026***

The Resilient Kid came into school and delivered sessions to:

**Year 1** – on “**Brain Smart and Inner Voice**”. The children have been exploring how their brains work and how the voice inside their head can help (or sometimes make things feel trickier). They learnt that our brain’s main job is to keep us safe. They talked about how our brain reacts and practised simple strategies so children begin to understand “*my brain is learning how to manage big feelings*”.

In Inner Voice, they focused on noticing the voice inside our head and understanding that not all thoughts are helpful or true. They practiced child-friendly phrases, the aim isn’t to stop children having tricky thoughts, but to help them realise they have choices about what they listen to and what they say to themselves.

These skills support confidence, resilience, emotional regulation, and problem-solving. They help children feel safer making mistakes and keeping going when something feels difficult.

**Year 2** – on “**Worry Warriors and Friendship Fixers**”. These sessions are designed to help children better understand their worries, develop emotional awareness, and build the skills they need for healthy, positive friendships. Through games and discussion, children practised sorting worries and learning what helps when a worry shows up, so worries feel less overwhelming.

In Friendship Fixers, the focus was on understanding friendships and learning what helps friendships feel safe, kind, and fair. They talked about repair — how friendships don’t have to be perfect, and how we can fix things when something goes wrong.

These skills support emotional regulation, confidence, empathy, and problem-solving. They help children understand their feelings, talk about worries and build stronger friendships.

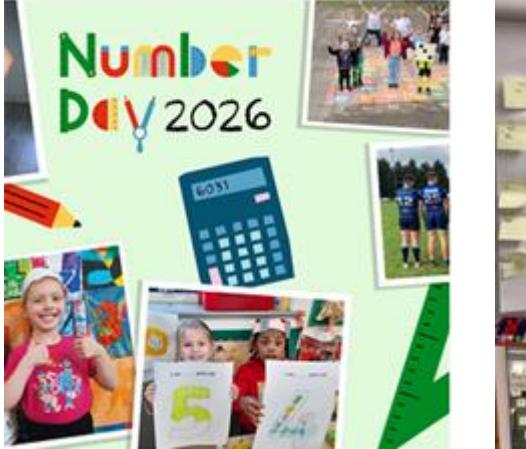

We are so proud of how the children engaged brilliantly with these sessions and showed great thoughtfulness and maturity.

### ***Loudmouth Theatre – 30<sup>th</sup> January 2026***

Years 5 and 6 have completed some workshops with the Loudmouth Theatre on “Online Safety Focus”.

### ***National Number Day – Friday 6<sup>th</sup> February 2026***

We were delighted to take part in NSPCC Number Day 2026, with pupils enjoying a range of fun and engaging maths activities across the school. The day helped reinforce key maths skills while highlighting the importance of keeping children safe. We raised £39.80 for this worthy cause, thank you for your support.

### Online Safety – Safer Internet Day

Tuesday 10<sup>th</sup> February was Safer Internet Day, with this year's theme being "Smart tech, safe choices – Exploring the safe and responsible use of AI". This campaign focuses on empowering young people to navigate artificial intelligence, critical thinking, and digital safety. Our Whole School Focus was exploring the safe and responsible use of AI.

With more children and young people owning smart phones than ever, they become more susceptible not just to online scams, but other potentially harmful content, inappropriate material and contact with strangers. To find out more, you can visit: <https://saferinternet.org.uk/> <https://smartphonefreechildhood.co.uk/>

### Improving Communication Links with School

To keep your child/ren safe and ensure their well-being, we are constantly looking for ways to improve our links with you and keep everyone up-to-date and well informed. As sending written information home is sometimes unreliable; we are continuing to use Schoolcomms, an electronic school communication system. This will enable you to receive all your information from school quickly and reliably. We can send letters by email to your inbox and short messages directly to your mobile phone as a text message, or if you have an Apple or Android mobile phone, by app message. In addition to Schoolcomms, we also use ParentPay for trips, dinner money etc and Class Dojo for communicating with parents.

**URGENT: Keep the office informed of your current mobile number and email address. If you are not receiving communication by these sources please contact the school office and they will look into the reason why.** Help us to help you, thank you. Limited information can also be found on our website and noticeboards around school.

### ***Where's My Jumper***

### **CHS is a Nut-Free Zone**
