

# **COLESHILL HEATH SCHOOL ATTENDANCE POLICY 2025-26**

# **Coleshill Heath School Pupil Attendance Policy**

## **Introduction**

Regular school attendance is essential if children are to enjoy their education and make good progress.

At Coleshill Heath School, we believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

Children are expected to attend school on time, every day unless there is an acceptable reason for their absences (authorised absence).

Some pupils find it harder than others to attend school. This policy sets out how school staff will work with pupils, parents, and partners to promote, encourage and support regular attendance at school and remove any barriers to attendance.

## **Aims**

- To set clear expectations and aspirations that all pupils have a high standard of school attendance and punctuality.
- To improve children's attainment through good attendance.
- To make attendance a priority for everyone.
- To ensure there is a clear process to identify and address emerging attendance concerns
- To work effectively with parents, pupils, and partners through building trusted relationships to work together to remove barriers to attendance.

To achieve these aims for our pupils, we are committed to the following:

- a welcoming, stimulating and safe learning environment;
- for all staff to feel happy to come to school to work with pupils, developing them to their full potential;
- listen to parents and pupils to understand barriers to attendance
- build trusted relationships with parents and pupils where attendance concerns can be discussed, understood.
- high expectations of our pupils and all staff;
- a broad, balanced and relevant curriculum;
- recognise and celebrate achievements in all areas of school life;
- equal access to all aspects of the curriculum and school life;
- high quality teaching using a variety of teaching strategies;
- a range of resources that are effectively used to support and challenge learning;
- provide experiences, which will develop our pupils' spiritual, moral and cultural understanding;

- support, guidance and training for all those who teach and work with our children;
- foster and maintain links with our wider community

### **Attendance Partnership Expectations**

#### **We expect the following from all of our pupils:**

- To attend school regularly (attend school every day unless there is an acceptable reason for their absences i.e., an absence authorised by the Head Teacher)
- To arrive on time and appropriately prepared for the day, having eaten breakfast or attend Breakfast Club.
- To talk to a member of staff about any problem or reason that may prevent them from attending school.

#### **We expect the following from parents and carers:**

- To ensure their children attend school regularly and punctually.
- To ensure contact is made with school, as soon as is reasonably practical, whenever their child is unable to attend.
- To ensure that their children arrive in school well prepared for the school day, having eaten breakfast.
- To talk to a member of school staff about any problem or reason that may prevent them from attend of school.

#### **Parents and pupils can expect the following from school:**

- Early contact with parents when a pupil fails to attend school without providing good reason
- Regular, efficient and accurate recording of attendance
- To inform parents if a pupil's attendance falls below expected levels
- To listen and understand the barriers to school attendance and offer appropriate support and agree appropriate plans to improve attendance.
- Follow up support if needed.

### **Roles and Responsibilities for Attendance**

- Miss Thomas is the school's Attendance Champion, a named senior member of staff with responsibility for attendance issues and can be contacted on 0121 779 8070.

- Attendance matters are reviewed by the attendance lead, attendance champion, head teacher and members of the senior leadership team.
- Attendance issues are reported on a minimum termly basis, to the Governing Body.
- School will liaise with the Local Authority Attendance Support Team at a minimum, termly.
- School uses Central School Attendance and Welfare Service Ltd (CSAWS) to support the school with the processes associated with children's attendance at school. School employ CSAWS to provide the legal monitoring services and support that will help reduce the number of persistent absent pupils and improve whole school attendance.

### **Expected Levels of Attendance**

Attending school regularly and on time has a positive impact on learning, progress and therefore the best life chances for pupils. Research shows that attendance and punctuality are important factors in school success.

Children are expected to attend school every day unless there is an acceptable reason for their absence (authorised absence).

<b>98-100%</b>	<b>Excellent. Accessing all learning opportunities</b>
<b>96-97%</b>	<b>Good. Very few learning opportunities missed</b>

<b>90-92</b>	<b>Severe risk of under achievement Up to 100 missed lessons</b> Up to 19 school days absent in an academic year

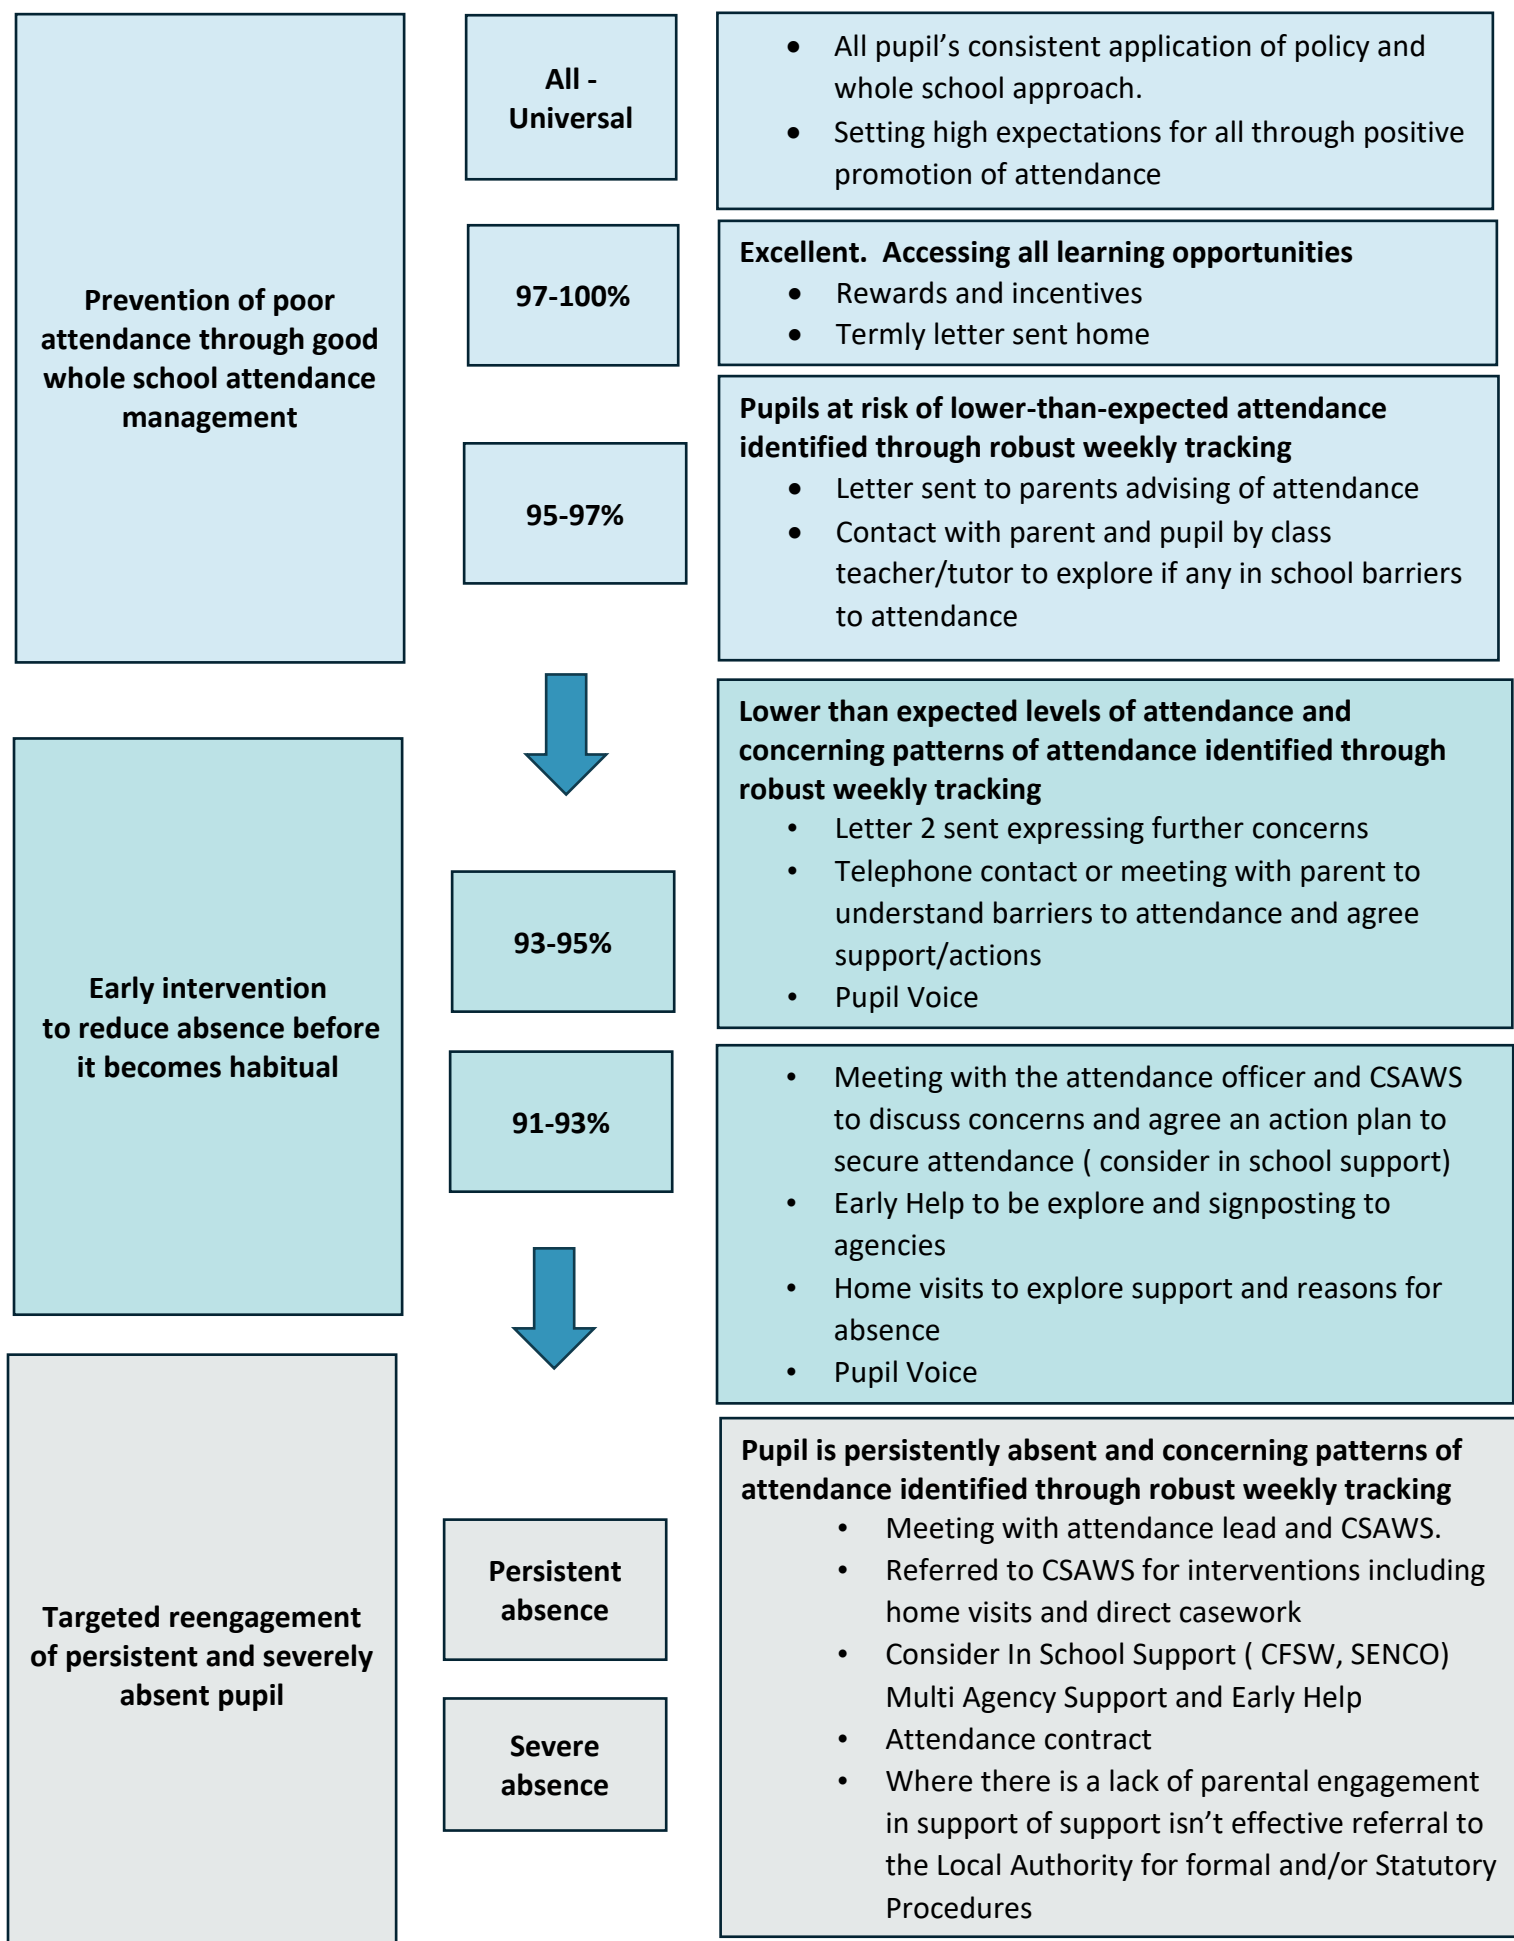

<b>90% and below</b>	<b>Extreme risk of underachievement over 100 missed lessons</b> Pupil is persistently absent upwards of 22 school days absent in an academic year
<b>50% and below</b>	<b>Extreme risk of underachievement</b> Pupil is severely absent At least half of all lesson and days missed

### Support

**Our school procedures follow a ‘Support First’ model, with expectations set out by the Department for Education in the guidance Working Together to Improve School Attendance (September 2024).**

Our procedures are based around the principles and stages of:

- Preventing poor attendance
- Early intervention and Early Help to address early patterns of poor attendance and agree ways to improve
- Targeted interventions (including Early Help and Formal interventions) for those children who are persistently absent or severely absent
- Understanding barriers to individuals’ attendance and agree individual plans for children with specific needs.
- Formal Statutory Interventions where support has not been effective or engaged with.
- We will use attendance data, daily, weekly, half termly and termly to identify children whose attendance is declining and any concerning patterns of attendance.
- We will support pupils' parents and carers by working together to address any in-school barriers to attendance.
- Where barriers are outside of the school’s control, we will discuss and offer support to parents, carers and pupils also signposting to the right voluntary support.
- Some students find it harder than others to attend school and will need targeted or specialist support.
- Attendance plans will consider individual needs.
- We will use a Graduated Response - Assess, Plan, Do, Review, to inform all plans of intervention at each stage including offers of support either formal or informal
- Attendance plans will be reviewed and where improvements haven’t improved and barriers to attendance continue plans will be reviewed to understand the reasons for lack of change.
- Records will be kept of attendance interventions and action plans

## **The Solihull Education Participation Advisory Service (EPAS):**

Central School Attendance and Welfare Service Ltd (CSAWS) and Miss Moore are responsible for liaising closely with the Local Authority's Attendance Service and will follow their procedures in managing attendance issues.

- Where all voluntary support options have not been successful, or have not engaged with, the law protects pupils' right to an education and provides a range of legal interventions to formalise attendance improvement efforts, and where all other avenues have been exhausted, enforce it through prosecuting parents.
- School may refer to Solihull EPAS team for the following legal interventions/formalised support; Notice to Improve, issue of Penalty Notices, Education Supervision Orders, Attendance Prosecution.
- Prosecutions for non-school attendance must be conducted in line with the LA Non-school attendance and Penalty Notice code of conduct and the Code for Crown Prosecutors and must pass the evidential and public interest tests.

## **Legislation and statutory interventions**

Parents of registered pupils have a legal duty under the Education Act 1996 (sec 444) to ensure that children of compulsory school age attend school on a regular and full-time basis. Permitting unauthorised absence from school is an offence and parents may be reported to the Education Authority if problems cannot be resolved by agreement.

All children, regardless of their circumstances, are entitled to a full-time education that is suitable to their age, ability, aptitude and any special educational needs they may have. Local authorities have a duty to establish, as far as it is possible to do so, the identity of children of compulsory school age who are missing education in their area.

Parents are responsible for ensuring their children receive education. Estranged parents with whom the child has had regular contact may be prosecuted as well as the day-to-day carer. Each situation must be dealt with on an individual basis, always remembering the welfare and safety of the child is the paramount concern. The term 'parent' also includes those who are not a natural parent but have parental responsibility for the child as defined by the Children Act 1989 or who have care of the child as defined by the Education Act 1996.

## **Penalty Notice Regulations 2024 and Statutory Guidance**

Schools must consider whether a penalty notice (fine) is appropriate in each individual case where one of their pupils reaches the national threshold of 10 unauthorised absences in a rolling 10-week period.

If school considers that the trigger has been met a penalty notice is appropriate they will refer to the Local Authority in line with the Local Authority Code of Conduct.

If the Local authority issues a penalty notice it is per parent per child/ The first penalty notice issued to a parent will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.

If the threshold is met a 2nd time in three years and a 2<sup>nd</sup> Penalty notice is issued to the same parent in relation to the same child – this will a flat rate of £160 if paid within 28 days.

A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action should be taken instead. This will often include considering prosecution

### **Promoting Attendance and Preventing Absence**

At Coleshill Heath School, we recognise the importance of regular attendance and punctuality in ensuring that all pupils achieve their full academic and personal potential. Consistent attendance enables pupils to engage fully in learning, develop positive relationships, and foster a strong sense of belonging within the school community.

Our attendance recognition programme has been developed to promote and celebrate excellent attendance. Its purpose is to encourage pupils to attend school regularly and arrive punctually, thereby maximising their learning opportunities. Throughout the year, we will run a series of seasonal attendance campaigns, each focusing on shorter, motivating timeframes.

Children who achieve 100% attendance during a campaign period, with no late marks, will be entered into a prize draw for exciting mystery prizes (such as Smyths Toys vouchers) and invited to take part in special school activities.

Examples of our themed attendance campaigns include:

- September: Back to School launch with class parties and fun activities such as an Animal Man visit and Crazy Hair Day.
- October: Don't Ghost Us! – a Halloween-themed challenge promoting excellent attendance.
- December: Countdown to Christmas – a festive attendance challenge to end the term.
- Spring and Summer Terms: Easter and summertime challenges to maintain momentum and enthusiasm.

Information about upcoming attendance challenges will be shared with children in class and during assemblies, and with parents and carers via Class Dojo.

Through these initiatives, we aim to make attendance something to be proud of and to help every child feel motivated, valued, and connected to our school community.

### **School Day and Punctuality**

It is important that pupils are punctual so that they do not miss out on the beginning of each school day. Children must attend on time to be given a present mark for the session.

If a pupil arrives late to school every day, their learning begins to suffer. Below is a graph showing how being late to school every-day over a school year adds up to lost learning time.

*5 Minutes Late 10 Minutes Late 15 Minutes Late 20 Minutes Late 30 Minutes Late*

(Over one academic year)

To access the most from the school day we ask parents to ensure that their children are 'in the line for ten to nine', for school to start at **8:50am**.

Classroom doors will be closed at **8:55am** when registration begins. Children arriving after **8:55am** will be late for school and have to report to the 'late gate' located in The Hub at the front of the school. Parents/carers should be aware that school will enquire about the reasons for their child's late arrival to school to monitor punctuality and attendance and offer support where this may be needed.

Where a pupil arrives after the register closes, this will be classed as an unauthorised late absence (code U as per DFE compulsory attendance codes).

School registration will close at **9:25am**. This must be no more than 30 minutes after the register opens (Working together to improve attendance 2024)

The registers are monitored daily and identify pupils who are arriving late. Regular late arrival for school will be challenged as this is not acceptable. Pupils with U codes may be referred to the Local Authority Statutory Team for consideration of Legal Action where the trigger is met.

### **Absence**

If a child is absent from school parents should contact the school on the first day of absence by **9.15am** to inform the school of the reason for absence. Parents are expected to maintain contact with the school throughout the absence.

At 9.30am school registers are checked for any absences where there has been no contact by parents and reason given.

School staff will send text messages to parents to ascertain a reason for the child absence from school.

If staff are concerned about a child's absence or there is no response to attempted contact, they will follow the process in detailed in Appendix 1. This includes telephone calls to parents, telephone calls to other emergency contacts, home visits, referrals to the CSAWS Attendance and Welfare Officer and to the police for a Safe and Well Check.

Where school staff have concerns about a child, they should use their professional judgement and knowledge of the individual pupil to inform their decision as to whether welfare concerns should be escalated (DFE Attendance guidance 2024).

If the pupil has a social worker or a youth offending worker, they will be notified of any absences with no reason provided.

**It is imperative that up-to-date contact numbers and details are provided to school.**

**Schools are required to hold more than one emergency contact per child (KCSIE 2025). Emergency contact numbers should be provided and updated by the parent with whom the pupil normally resides.**

### **Illness**

Not all illness requires an absence from school. For minor childhood ailments such as coughs, colds, ear aches we would not expect children to be absent. However, when a parent makes the assessment that their child is unfit for school they should follow the above absence process.

If their child has symptoms of a respiratory infections and has a temperature or is too unwell to attend school, they should stay at home and avoid contact with others until they no longer have a temperature and are well enough to attend school.

Schools should follow up with families if they are not satisfied with the reason as to why the pupil is not in school. Schools can request supporting evidence from the family. Where the school is not satisfied with the reason given for absence, they may record this using one of the unauthorised absence codes.

If parents/carers are unsure if their child should attend school, they should contact the school who will offer advice and guidance or signpost them to the relevant service.

It is a school's decision whether to accept a reason for a child's absence and whether to authorise that absence. In the majority of cases, a parent's explanation of their

child's illness can be accepted without question or concern. In circumstances where there are concerns about a child's attendance or reason for absence, further evidence of a child's illness may be requested.

School will challenge parents' statements or seek additional evidence if they have any concerns regarding a child's attendance.

It is good practice to have clear systems in place to escalate any concerns about high levels of absence due to illness, including agreements about accessing additional services in order to provide appropriate support to pupils, particularly for long term illness.

**School may request medical evidence in the following scenarios:**

- Child is absent and there are frequent odd days absences due to reported illness
- Child is absent and the same reasons for absence are frequently repeated
- Child is absent and attendance is below expected levels and there is a concerning pattern of absence/reasons for absence.
- Where there is a medical problems and school may need evidence to seek additional support/provide support
- There are conflicting reasons for absence
- If a period of absence is directly before or after a planned leave of absence.

**Medical appointments**

Parents should avoid making routine medical appointments and dental appointments during the school day. In the majority of cases, appointments can be made outside of the school day/during the school holidays.

Where appointments have to be taken during the school day, parents should request permission for their child to be absent in advance whenever possible. Only the time for the appointment and travel to and from will be classed as an authorised absence. Pupils are expected to return to school for the remainder of the day/attend school prior to the appointment.

Parents are required to provide a copy of the appointment letter or card prior to the day of the appointment. Absences will only be authorised when this information has been received.

**Reintegration of Long-Term Absentees**

Absence can significantly interrupt the continuity of students learning, and positive strategies should be employed to minimise such effects.

## Key Principles

- We should always keep in touch with a student/and his/her family during a long absence.
- We should always make sure he/she is welcomed back.
- We should never make sarcastic comments about an absence – a thoughtless word can destroy hours of work by staff.

Head Teacher and SENDCo to consider a phased return where appropriate. Consideration needs to be given to any special needs the pupil may have and appropriate support identified. Consideration must be given to providing a mentor (staff member/student)

Class Teachers should ensure that the pupil feels welcomed back to school in an appropriate way and take any necessary steps to support their re-integration.

### **Other reasons for absences:**

Other reasons for absence must be discussed with the school on each occasion. Notes will not necessarily be accepted as providing valid reasons. The school will follow DFE guidance and not authorise absences for shopping, birthdays or child minding.

### **Religious Observance**

Coleshill Heath School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance. It is reasonable for a parent to allow their children not to attend school on any day of religious observance if recognised by the parent's religious body. However, parents are requested to give advance notice to the school if they intend their child to be absent. Religious bodies may be contacted to verify these occasions.

### **Mobile Children**

The School Attendance (Pupil Registration) (England) Regulations 2024 and the *Working together to improve school attendance* guidance use the term 'mobile child' to describe a child of compulsory school age who has no fixed abode and whose parent is engaged in a trade or business that requires them to move from place to place. This is a new term but covers the same children as section 444(6) of the Education Act 1996.

No fixed abode' means that someone either does not have a settled place where they can live full-time, or they have a place where they can live full-time but they spend substantial periods of time not living there. So a mobile child could be a child whose family travels all year round as part of their trade or business and has no permanent address at all, but it also includes a child who does have a fixed place to

live (like a house) but does not live there for a substantial part of the year, if their parent is engaged in a trade or business that requires them to travel from place to place. If the child is absent from school while travelling with that parent, then code T applies.

### **Requests for Leave of Absence (exceptional circumstances)**

- The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.
- A leave of absence is granted entirely at the school's discretion. Permission for a Leave of Absence from a school may only be given by a person who the school's proprietor has authorised to do so (an authorised person).
- Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.
- Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.
- Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.
- When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify the parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.
- It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is their responsibility to ascertain if the leave is authorised prior to the start of the leave.
- The school can only consider applications for Leave of Absence which are made by the resident parent. i.e. the parent with whom the child normally resides.
- Where applications for Leave of Absences are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an "unauthorised" absence. Where a leave of absence is requested but additional days take either prior to or after the request, they may be considered as part of the leave of absence.
- Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

### **Procedure for requesting a planned absence:**

- All leave of absence requests will be unauthorised unless the circumstances are exceptional. A parent/carer should complete an absence request form (Appendix 2) and submit this to the school at least 20 days prior to the date required. School will respond to the request within two weeks. If school is aware of any language difficulties that may preclude a request form being completed appropriate support will be offered to the parent/carer.
- Leave of absence request received with less than 20 days' notice will not be authorised. The exception to this rule would be in the case of a genuine emergency and additional evidence of said emergency must be provided.
- If the Head teacher deems that the reasons for the request are exceptional and authorises the absences a letter confirming that the request has been authorised will be sent to the parent/carer
- If the Headteacher deems that the reasons are not exceptional and the leave of absence will not be authorised. A letter informing the parents of this decision for each child and warning of the legal implications of the absence been taken will be sent to each parent. The Local Authority Letter must be used.
- If once notified in writing of the decision to unauthorise the leave of absence, the absence is taken it will be marked as an unauthorised absence on the pupils register. If the trigger of 10 unauthorised absences (sessions) is met then the absences should be referred immediately to the Education Enforcement Team for consideration and could result in the issue of a fixed penalty notice.
- If a leave of absence request is not received but school subsequently are informed, or discover through their enquiries that a holiday in term time has been taken parents will be informed in writing ( using the LA template ) that this absence has been unauthorised and if the trigger of 10 unauthorised sessions has been met a referral will be made for the issue of a penalty notice.
- Where schools have reason to question the veracity of a reason for absence they will make further enquiries and follow absence procedures detailed in this policy.

### **Attendance, Safeguarding and Children Absent from Education**

A child absent from education is a potential indicator of abuse or neglect. School should follow the school's procedures for dealing with children that go absent from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation and criminal exploitation, and to help prevent the risks of their going missing in future.

All schools are required to make the local authority aware of every registered pupil who fails to attend school regularly and any children who have been absent from school, where the absence has been treated as unauthorised for a continuous period of not less than 10 school days education (Pupil Registration) (England) Regulations 2024 regulation 13).

Schools are permitted to remove compulsory-school-aged children from roll on the limited grounds set out in regulation 9 of the Education (Pupil Registration) (England) Regulations 2024.

Removing a child from the school roll is a very important decision. Children who fall out of the education system are likely to have poor outcomes and may be exposed to increased risk of harm. Schools must follow correct procedures to ensure that they do not breach their legal and safeguarding duties.

All schools (including academies and independent schools) must notify their local authority when they are about to remove a pupil's name from the school admission register under any of the fifteen grounds listed in the 2024 regulations

Schools must make reasonable enquiries to establish the whereabouts of the child jointly with the CME officer, before deleting the pupil's name from the register if the deletion is under regulation 9(1), sub-paragraphs (h) and (i).

Appendix 3 details the local Procedures that School follows

This attendance policy is part of a broader suite of safeguarding policies including the school's Child Protection Policy and Procedures.

### **Tuancy within school**

Coleshill Heath School monitor attendance throughout the day. Registers are taken at the beginning of the morning and afternoon session, in order to ensure all pupils are safe in school and whereabouts known. If a pupil does not present to scheduled lessons/activities, the Attendance Officer is informed and staff alerted to find missing pupils. If pupils cannot be located and are suspected of leaving school premises, parents will be informed and the police notified of a missing child.

### **Alternative Education Providers**

On rare occasions, a small number of pupils may be accessing an alternative education provider or dual registered with another school, agreed by the school for all or part of their timetable. In this instance the pupil remains on roll at Coleshill Heath School. Attendance to approved alternative providers is monitored. When Pupil are Dual registered at another school or alternative provider their attendance will be recorded in the register as a D code (on days they are required to attend the other school/provision). The other school/provision will record the attendance of absence. For children who are Educated |Off site but not dual registered their attendance will be recorded in Coleshill Heath School register as a B code if they are confirmed present

or the appropriate absent code if absent. The responsibility of ensuring pupils are safeguarded and receiving appropriate education remains with Coleshill Heath School. Keeping in Children Safe in Education 2025 states that "Schools should always know where a child is based during school hours. This includes having records of the address of the alternative provider and any subcontracted provision or satellite sites the child may attend. They should regularly review the alternative provision placements they make. Reviews should be frequent enough (at least half termly) to provide assurance that the child is regularly attending and the placement continues to be safe and meets the child's needs"

## **Registers**

An accurate and consistent registration system is crucial both to provide a solid foundation for analysis of absence and to support any statutory interventions.

The register is a legal document and must be kept accurately. Attendance registers will be kept in accordance with legal requirements, local authority guidelines and school regulations

On each occasion the register is taken the appropriate national attendance and absence code must be entered for every pupil (of both compulsory and non-compulsory school age) whose name is listed in the admission register at the time (except for a pupil who is a boarder)

Absence can only be authorised by a person designated to do so by the head teacher [see The Education (Pupil Registration) (England) Regulations 2024

There are procedures in place to resolve unexplained absences within 5 working days.

School complies with and uses the DFE Compulsory National Attendance Codes to categorise absence (Appendix 3).

## **Use of Attendance Data**

Schools must provide specific pupil information on request to the Secretary of State [The Education \(Information About Individual Pupils\) \(England\) \(Amendment\) Regulations 2024 \(legislation.gov.uk\)](#)

We meet this requirement by sharing their school attendance data directly from our management information system.

## **We are also required to make data returns to the Local Authority:**

**New Pupil and Deletion returns:** notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times.

**Attendance returns:** providing the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been absent for a continuous period of ten school days where their absence has been recorded with one or more of the codes statistically classified as unauthorised (G, N, O, and/or U).

**Sickness returns:** providing the local authority with the full name and address of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness..

We collect, use and store attendance information about our pupils and may receive information about you from your previous school. The information we keep regarding attendance includes name, contact details, attendance records, late records and any relevant medical information.

Attendance is reviewed at a minimum half termly, where there is cause for concern, this information is shared with CSAWS during regular attendance meetings held at school. CSAWS then follow up attendance concerns with parents and carers on school's behalf.

We meet termly with the Local Authority EPAS team for Attendance Targeting Support Meetings where attendance data is shared and discussed.

Information regarding attendance concerns may also be shared with the Local Authority as part of statutory processes.

The Head teacher will analyse attendance data half termly for whole school and groups of pupils. This will be shared with governors and used to inform the strategic plan to improve school attendance.

Attendance Data will be shared with class teachers in preparation for Pupil progress reviews and parents' evenings and to target interventions.

Attendance Data will be produced and used to promote attendance through the school newsletter, website and rewards and incentives.
