

# Pupil Attendance Policy

**September 2020**

## **Pupil Attendance Policy**

### **Introduction**

We aim to ensure that all children attend school regularly and on time to enable them to take full advantage of the educational opportunities available. Regular, punctual attendance is valued and positively encouraged for all of our pupils.

### **Aims**

- To improve the overall attendance of children at school.
- To improve children's attainment through good attendance.
- To encourage parents to ensure that children arrive at school on time.
- To make attendance a priority for all those associated with the school including parents, pupils, teachers and governors.

To achieve these aims for our pupils, we are committed to the following:

- To provide an environment that complies with DFE and Public Health England Guidance regarding coronavirus (COVID-19)
- a welcoming, stimulating and safe learning environment;
- for all staff to feel happy to come to school to work with pupils, developing them to their full potential;
- high expectations of our pupils and all staff;
- a broad, balanced and relevant curriculum;
- recognise and celebrate achievements in all areas of school life;
- equal access to all aspects of the curriculum and school life;
- high quality teaching using a variety of teaching strategies;
- a range of resources that are effectively used to support and challenge learning;
- provide experiences, which will develop our pupils' spiritual, moral and cultural understanding;
- support, guidance and training for all those who teach and work with our children;
- foster and maintain links with our wider community.

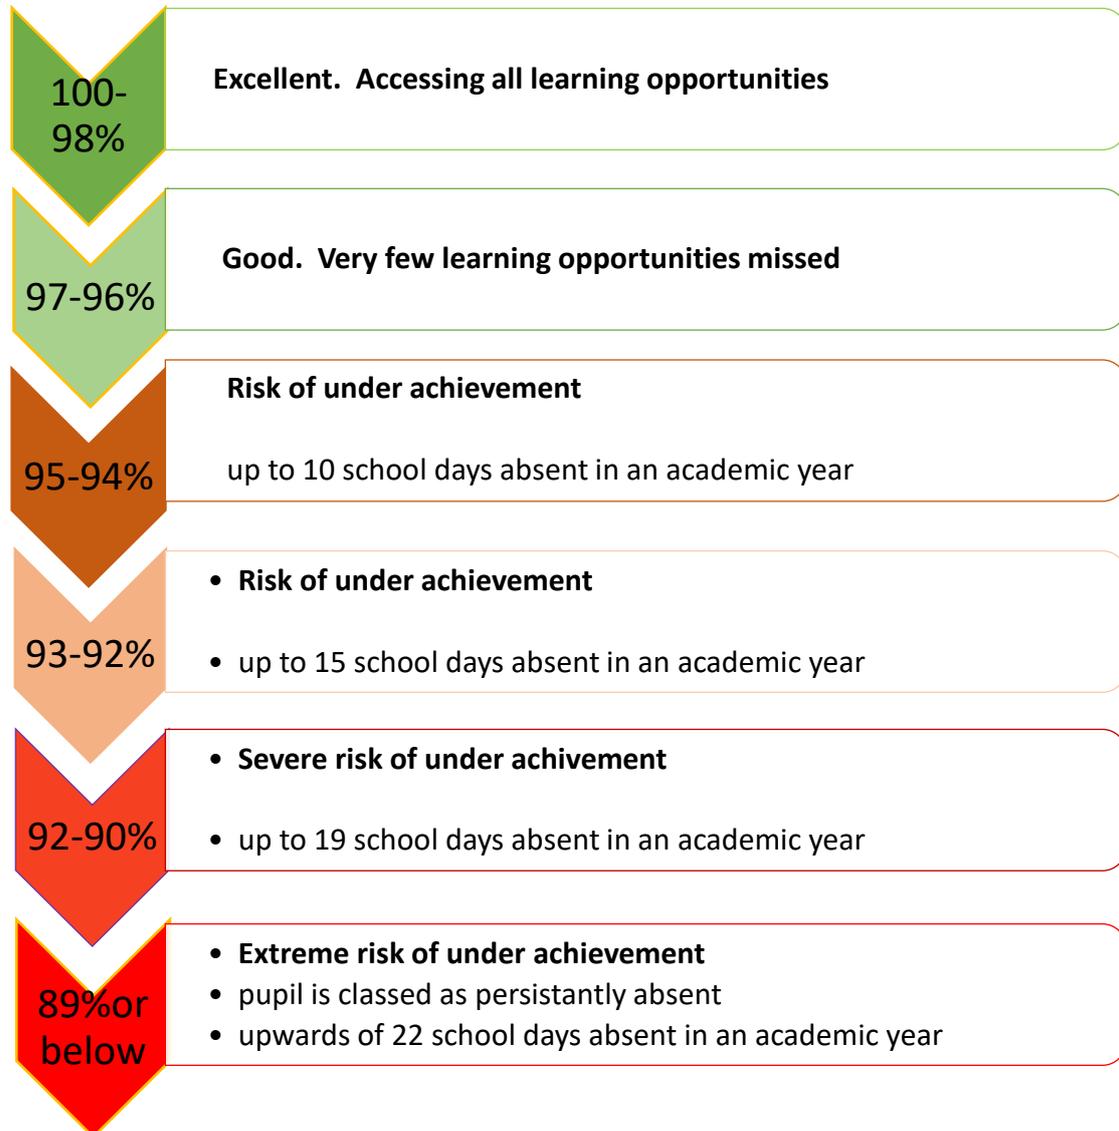

### **Legislative framework**

Parents of registered pupils have a legal duty under the Education Act 1996 (sec 444) to make sure that children of compulsory school age attend school on a regular and full time basis. Permitting unauthorised absence from school is an offence and parents may be reported to the education authority if problems cannot be resolved by agreement.

All children, regardless of their circumstances, are entitled to a full time education which is suitable to their age, ability, aptitude and any special educational needs they may have. Local authorities have a duty to establish, as far as it is possible to do so, the identity of children of compulsory school age who are missing education in their area.

## Expected levels of attendance

Attending school regularly and on time has a positive impact on learning, progress and therefore the best life chances for pupils. Research shows that attendance and punctuality are important factors in school success. At Coleshill Heath School we expect all children to achieve attendance that is at least 96%.

## Attendance partnership expectations

**We expect the following from all of our pupils:**

- that they attend school regularly;
- that they arrive on time and are appropriately prepared for the day, having eaten breakfast or attend breakfast club;
- that they will tell a member of staff about any problem or reason that may prevent them from attending school.

**We expect the following from parents and carers:**

- to ensure their children attend school regularly and punctually;
- to ensure that they contact the school, as soon as is reasonably practical, whenever their child is unable to attend;
- to ensure that their children arrive in school well prepared for the school day, having eaten breakfast.

**Parents and pupils can expect the following from school:**

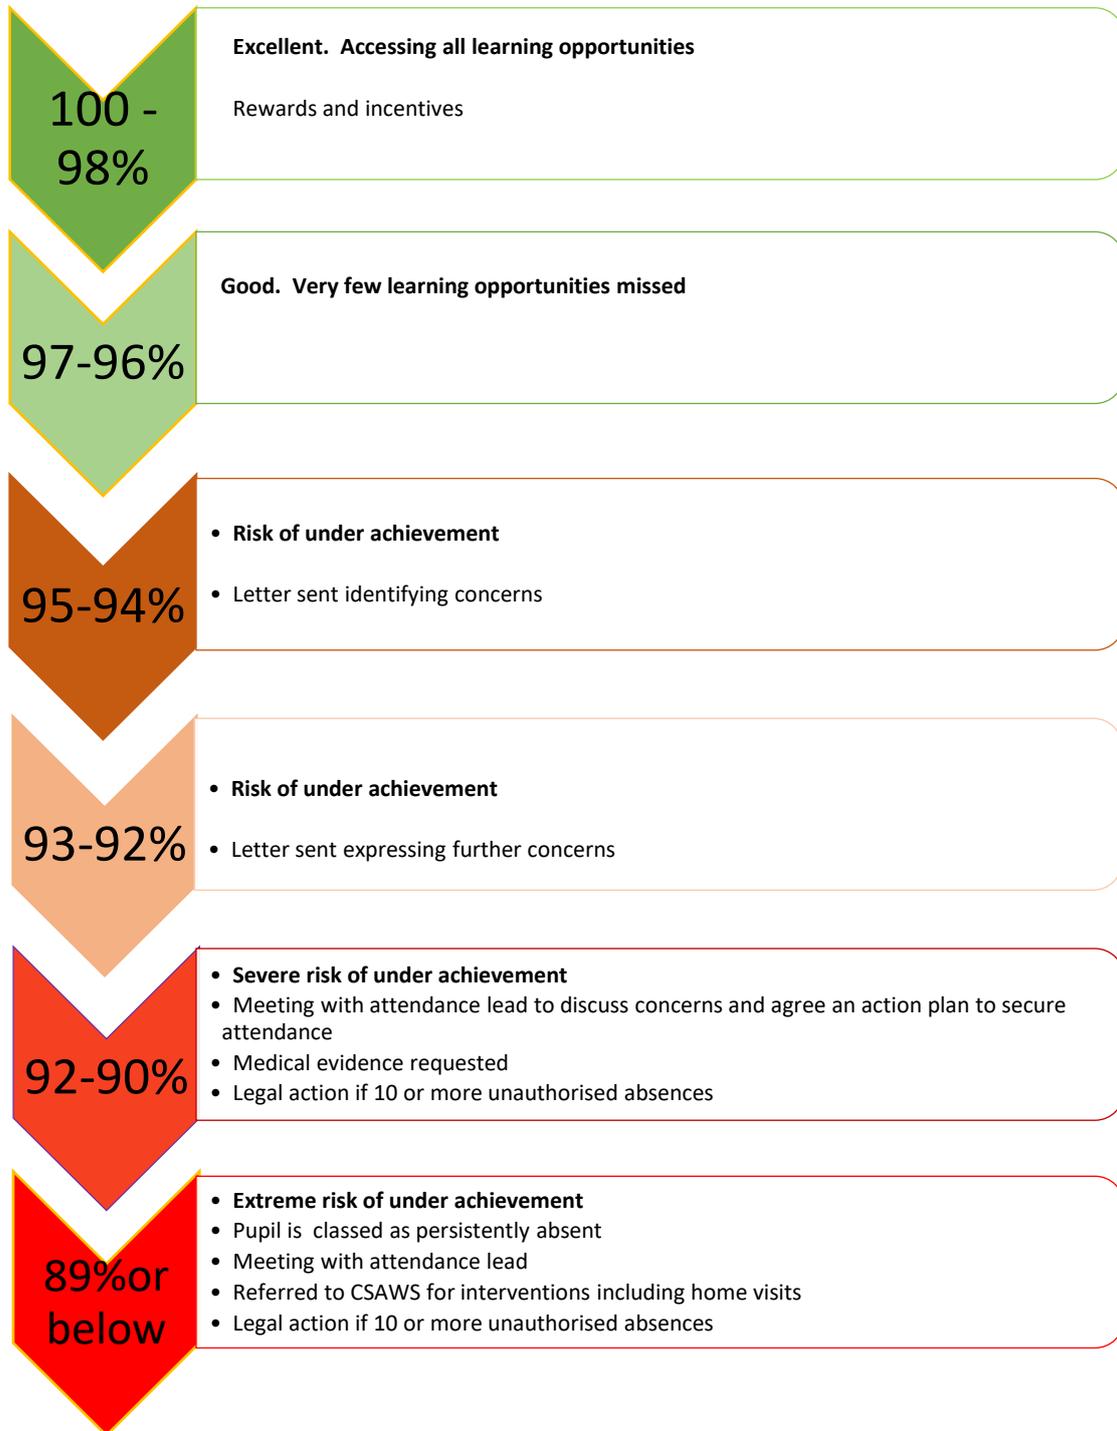

- early contact with parents when a pupil fails to attend school without providing good reason;
- regular, efficient and accurate recording of attendance;
- Follow up support if needed.

**Roles and responsibilities for attendance**

- Coleshill Heath School has a named senior member of staff with responsibility for attendance issues.
- Members of school staff both teaching and non-teaching have responsibility for attendance issues in school.
- Attendance matters are reviewed by the Head and members of the senior management team.
- Attendance issues are reported termly to the Governing Body.
- School uses Central School Attendance and Welfare Service Ltd (CSAWS) to support the school with the processes associated with children's attendance at school. School employ CSAWS to provide the legal monitoring services and support that will help reduce the number of persistent absent pupils and improve whole school attendance.
- We believe that through attending school every day on time children and young people will get the best possible start in life.

## Procedures

We will follow the following process for rewarding attendance and addressing attendance concerns of all pupils.

Where attendance has deteriorated rapidly, there are concerning patterns of absence, a number of unauthorised absences, or parents have not responded to concerns raised, a referral may be made straight to CSAWS.

Referrals will be made to the Education Enforcement Team for the issue of penalty notices where pupils have 10 or more unauthorised absences.

### **Absence:**

If a child is absent from school parents should contact the school on the 1<sup>st</sup> day of absence to inform the school of the reason for absence. Parents are expected to maintain contact with the school throughout the absence.

At 9.30am the school registers are checked for any absences where there has been no contact by parents and reason given.

School staff will send messages to parents to ascertain a reason for the child absence from school. If parents do not inform school of the reason for absence then this will be classed as unauthorised.

If staff are concerned about a child's absence, or there is no response to messages, they will follow the process as detailed in Appendix 1. This includes telephone calls to parents, other emergency contacts, home visits, referrals to the CSAWS attendance and welfare officer and to the police for a safe and well check.

Where school staff have concerns about a child, they should use their professional judgement and knowledge of the individual pupil to inform their decision as to whether welfare concerns should be escalated (DFE Attendance Guidance 2020).

**It is imperative that at least two up to date contact numbers and details are provided to school.**

**Schools are required to hold more than one up to date emergency contact per child (KCSIE 2020). Emergency contact numbers should be provided and updated by the parent with whom the pupil normally resides.**

### **Illness:**

Not all illness requires an absence from school. For minor childhood ailments such as coughs, colds, ear aches we would not expect children to be absent. However, when a parent makes the assessment that their child is unfit for school they should follow the above absence process.

#### **Children should not attend school if :**

- They or household member are unwell with a new, continuous cough or high temperature, or has a loss of, or change in, their normal sense of taste or smell or they have had a coronavirus (COVID 19) positive test result themselves
- they live with someone who has had a positive test for coronavirus (COVID-19)
- or because they are a close contact of someone who has coronavirus(COVID19);

In these circumstances parents must follow government advice on test and trace, and self isolating. **Parents must keep school informed of the results on any test.**

If you are unsure if your child should attend school please contact the school who will offer advice and guidance or signpost you to the relevant services.

Where children are absent from school because their travel to or presence at school would conflict with guidance on self isolating (issued by Public Health England or the department for education) or legislation related to the incidence or transmission of coronavirus (COVID-19) they will be marked in the register as a 8 code this is not counted as an absence in school census ( with the exception of absence due to diagnosed Covid-19 which is absence due to illness) See appendix 7 for further information.

It is a school's decision whether to accept a reason for a child's absence and whether to authorise that absence. In the majority of cases a parent's explanation that their child was ill can be accepted without question or concern. In circumstances where there are concerns about a child's attendance/reason for absence further evidence of a child's illness may be requested.

Coleshill Heath School will challenge parents' statements or seek additional evidence if they have any concerns regarding a child's attendance.

it is good practice to have clear systems in place to escalate any concerns about high levels of absence due to illness, including agreements about accessing additional services in order to provide appropriate support to pupils, particularly for long term illness.

**The types of scenario's when medical evidence may be requested include:**

- Attendance is less than 92%.
- There are frequent odd days absences due to reported illness.
- The same reasons for absence are frequently repeated.
- Where there is a particular medical problem and school may need evidence to seek additional support/provide support.

**Medical appointments:**

Parents should avoid making routine medical appointments and dental appointments during the school day. In the majority of cases appointments can be made outside of the school day/during the school holidays.

Where appointments have to be taken during the school day only the time for the appointment and travel to and from will be classed as an authorised absence. Pupils are expected to return to school for the remainder of the day/attend school prior to the appointment.

Parents are required to provide a copy of the appointment letter or card prior to the day of the appointment.

### **Other reasons for absences**

Other reasons for absence must be discussed with the school each time. Notes will not necessarily be accepted as providing valid reasons. The school will follow DFE guidance and not authorise absences for shopping, birthdays or child minding.

Pupils and families who are anxious about return to school

We are aware that many pupils, parents and households may be reluctant or anxious about returning to school especially if they have been shielding previously but have been advised that this is no longer necessary.

Parents should contact school to discuss concerns and school can give you more details regarding the measures we have put in place to reduce the risk in school.

School will be working closely with other professionals as appropriate to support all our pupils return to school, this includes CSAWS who may contact you if there are attendance related issues.

### **Unacceptable reasons for absence**

These may include:

- Shopping
- Birthday treats and trips
- Looking after others at home
- Non-urgent medical or dental appointments.

Please refer to Solihull Local Authority processes for school absences. The most up to date version can be found on the Solihull Metropolitan Borough Council Website.

### **Requests for leave of absence (exceptional circumstances)**

*The Education (Pupil Registration) (England) (Amendment) Regulations 2013* have amended Regulation 7 of the 2006 Regulations to prohibit the proprietor of a maintained school granting leave of absence to a pupil except where an application has been made in advance and the proprietor considers that there are exceptional circumstances relating to the application.

#### **Procedure for requesting a planned absence**

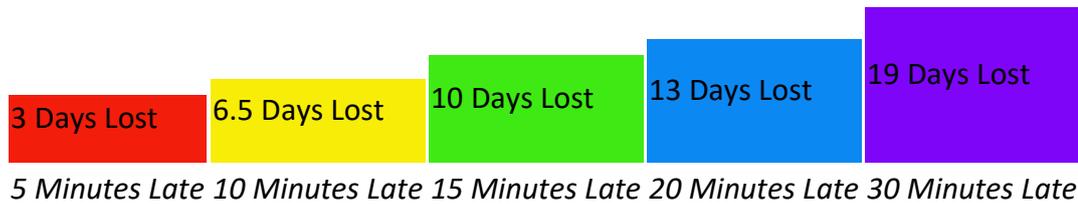

- All leave of absence requests will be unauthorised unless the circumstances are exceptional. A parent/carer should complete an absence request form (Appendix 2) and submit this to the school at least two weeks prior to the date required. School will respond to the request within two weeks. If school is aware of any language difficulties that may preclude a request form being completed appropriate support will be offered to the parent/carer.
- DFE guidelines make clear that leave of absence during term-time should be regarded as exceptional. An example that can be given is that during 2012 London Olympics all police leave was cancelled. As a result for that specific timeframe it was agreed that requests for leave for the children of police officers affected by the cancellation of their leave would be treated as exceptional.
- If a parent/carer considers they require their child to have a leave of absence for exceptional circumstances they should complete the absence request form which can be obtained from the school office (Appendix 2). There is a requirement that parent/carers provide evidence of the exceptional circumstance and may be required to meet with the Headteacher.
- Where the Headteacher is satisfied that there **are** exceptional circumstances to warrant the request of the leave of absence but has additional concerns such as the timing of the absence, the pupils attendance record, they may use the absence leave calculator.
- If the Headteacher deems that the reasons for the request are exceptional and authorises the absence, a letter confirming that the request has been authorised will be sent to the parent/carer (*Appendix 3 : model pro forma*).
- If the Headteacher deems that the reasons are not exceptional then the leave of absence will not be authorised. A letter informing the parents of this decision for each child and warning of the legal implications of the absence if taken will be sent to each parent. The letter provided in this guidance (Appendix 4) must be used.
- If once notified in writing of the decision to unauthorise the leave of absence, the absence is taken it will be marked as an unauthorised absence on the pupils register. If the trigger of 10 unauthorised absences (sessions) is met then the absences should be referred immediately to the Education Enforcement Team for consideration and could result in the issue of a fixed penalty notice.
- As usual parents should plan to take their holidays in school break, and should consider that their child may need to self-isolate following trips abroad that require a

period of quarantine. If a pupil is required to Quarantine on arrival in or return to the UK code 8 will be recorded in the register.

### Punctuality

It is important that pupils are punctual so that they do not miss out on the beginning of each school day. Children must attend on time to be given a present mark for the session.

If a pupil arrives late to school every-day, their learning begins to suffer. Below is a graph showing how being late to school every-day over a school year adds up to lost learning time.

(Over one academic year)

To access the most of the school day we ask parents to ensure that their children are “in the line for 10 to 9” (8.50am).

Children arriving after 8.55am will be late for school and have to report to the school office.

Where a pupil arrives after the register closes this will be classed as an unauthorised absence (code U as per DFE compulsory attendance codes).

School registration will close at 9.15am.

Registers are monitored daily and identify pupils who are arriving late. Regular late arrival for school will be challenged as not acceptable. Pupils who have 10 or more U codes will be referred to the Education Enforcement Team for the issue of a penalty notice.

## **Attendance, Safeguarding and Children Missing Education**

A child missing from education is a potential indicator of abuse or neglect. School should follow the school's procedures for dealing with children that go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, criminal exploitation and to help prevent the risks of their going missing in future.

All schools are required to make the local authority aware of every registered pupil who fails to attend school regularly and any children who have been absent from school, where the absence has been treated as unauthorised for a continuous period of not less than 10 school days Education (Pupil Registration) (England) Regulations 2006 regulation 12.

Schools are permitted to remove compulsory-school-aged children from roll on the limited grounds set out in regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 as amended by the Education (Pupil Registration) (England) (Amendment) Regulations 2016.

Removing a child from the school roll is a very important decision. Children who fall out of the education system are likely to have poor outcomes and may be exposed to increased risk of harm. Schools must follow correct procedures to ensure that they do not breach their legal and safeguarding duties.

In September 2016, the Department for Education updated the [statutory guidance](#) to reflect the 2016 amendments to the Education (Pupil Registration) (England) 2006 Regulations.

All schools (including academies and independent schools) must notify their local authority when they are about to remove a pupil's name from the school admission register under any of the fifteen grounds listed in the 2006 regulations (as amended).

Schools must make reasonable enquiries to establish the whereabouts of the child jointly with the CME officer, before deleting the pupil's name from the register if the deletion is under regulation 8(1), sub-paragraphs (f)(iii) and (h)(iii).

This Attendance Policy is part of a broader suite of Safeguarding policies including the school's Child Protection Policy and Procedure.

### **Truancy within school**

Colehill Heath School monitor attendance twice daily using the registers, in order to ensure all pupils are safe in school and whereabouts known. If a pupil does not present to scheduled lessons/activities, the Attendance Officer is informed and staff alerted to find missing pupils. If pupils cannot be located and are suspected of leaving school premises, parents will be informed and the police notified of a missing child.

### **Alternative Education Providers**

On rare occasions, a small number of pupils may be accessing an alternative education provider agreed by the school for all or part of their timetable. In this instance the pupil remains on roll at Coleshill Heath School. Attendance to approved alternative providers is monitored and reflected on school registers. The responsibility of ensuring pupils are safeguarded and receiving appropriate education remains with Coleshill Heath School.

### **Registers**

An accurate and consistent registration system is crucial both to provide a solid foundation for analysis of absence and to support any statutory interventions.

The register is a legal document and must be kept accurately. Attendance registers will be kept in accordance with legal requirements, local authority guidelines and school regulations.

Every half a day of absence from school has to be classified by the school as either authorised or unauthorised. Authorised absence is where the Headteacher has either given approval in advance for a pupil of compulsory school age to be away, or has accepted an explanation offered afterwards as satisfactory justification for absence. All other absences, including persistent lateness, must be treated as unauthorised.

Absence can only be authorised by a person designated to do so by the Headteacher. [see The Education (Pupil Registration) (England) Regulations 2006 (SI No. 2006/1751) – reg 7(1)].

There are procedures in place to resolve unexplained absences within two weeks. School complies with and uses the DFE compulsory national attendance codes to categorise absence (Appendix 5).

### **Use of Attendance data**

All schools must provide their attendance data to the DFE, most schools use their management information systems to send their data via school census. The figures returned are then published by the DFE as part of the annual publication of school statistics.

We collect, use and store attendance information about our pupils and may receive information about you from your previous school. The information we keep regarding attendance includes name, contact details, attendance records, late records and any relevant medical information.

Where there is cause for concern this information is shared with CSAWS during regular attendance meetings held at our school. CSAWS then follow up attendance concerns with parents and carers on our behalf.

**Where there is cause for concern this information is shared with CSAWS during regular attendance meetings held at our school. CSAWS then follow up attendance concerns with parents and carers on our behalf.**

### **Current Attendance Reward Systems in place**

[Following consultation with parents, children and staff in March 2019, these systems will remain in place].

Recognition is in place to encourage children to attend school every day where possible and be punctual. This enables children to take the best advantage of the education provided in school.

### **Weekly – This reward will be put on hold due to Covid 19 and will be reviewed termly.**

Classes with 100% attendance and no late marks are awarded £10 in their money boxes. If no class achieves £10 then £5 will be given to the class with the highest attendance. If two classes achieve the same highest percentage then the winner will be the one with the least minutes late.

5 Dojos are given to all classes with attendance over 96% and an extra 5 dojos are given to classes with no late marks.

Attendance is calculated from Friday to Thursday and the winners are announced in assemblies on a Friday.

Money is saved in 'piggy banks' until the Summer term when **all** children can decide on how to spend their class money.

The only way to add money to the money boxes is via good attendance and punctuality.

### **Termly - Autumn, Spring and Summer**

- Attendance assembly
- Certificates and Badges for 100% with less than 20 minutes late
- Certificates for 99% and 98% with less than 20 minutes late
- A reward activity, such as disco /animal man /clown/DVD arranged for 97% +

### **End of the Academic Year**

- Attendance assembly
- Certificates and Medal for 100% with less than 30 minutes late
- Certificates for 98%+ with less than 30 minutes late
- '99' Ice Cream for 97%+
- If our **whole school** attendance is above National Average (96%) at the end of the academic term then the whole school take part in a reward event.

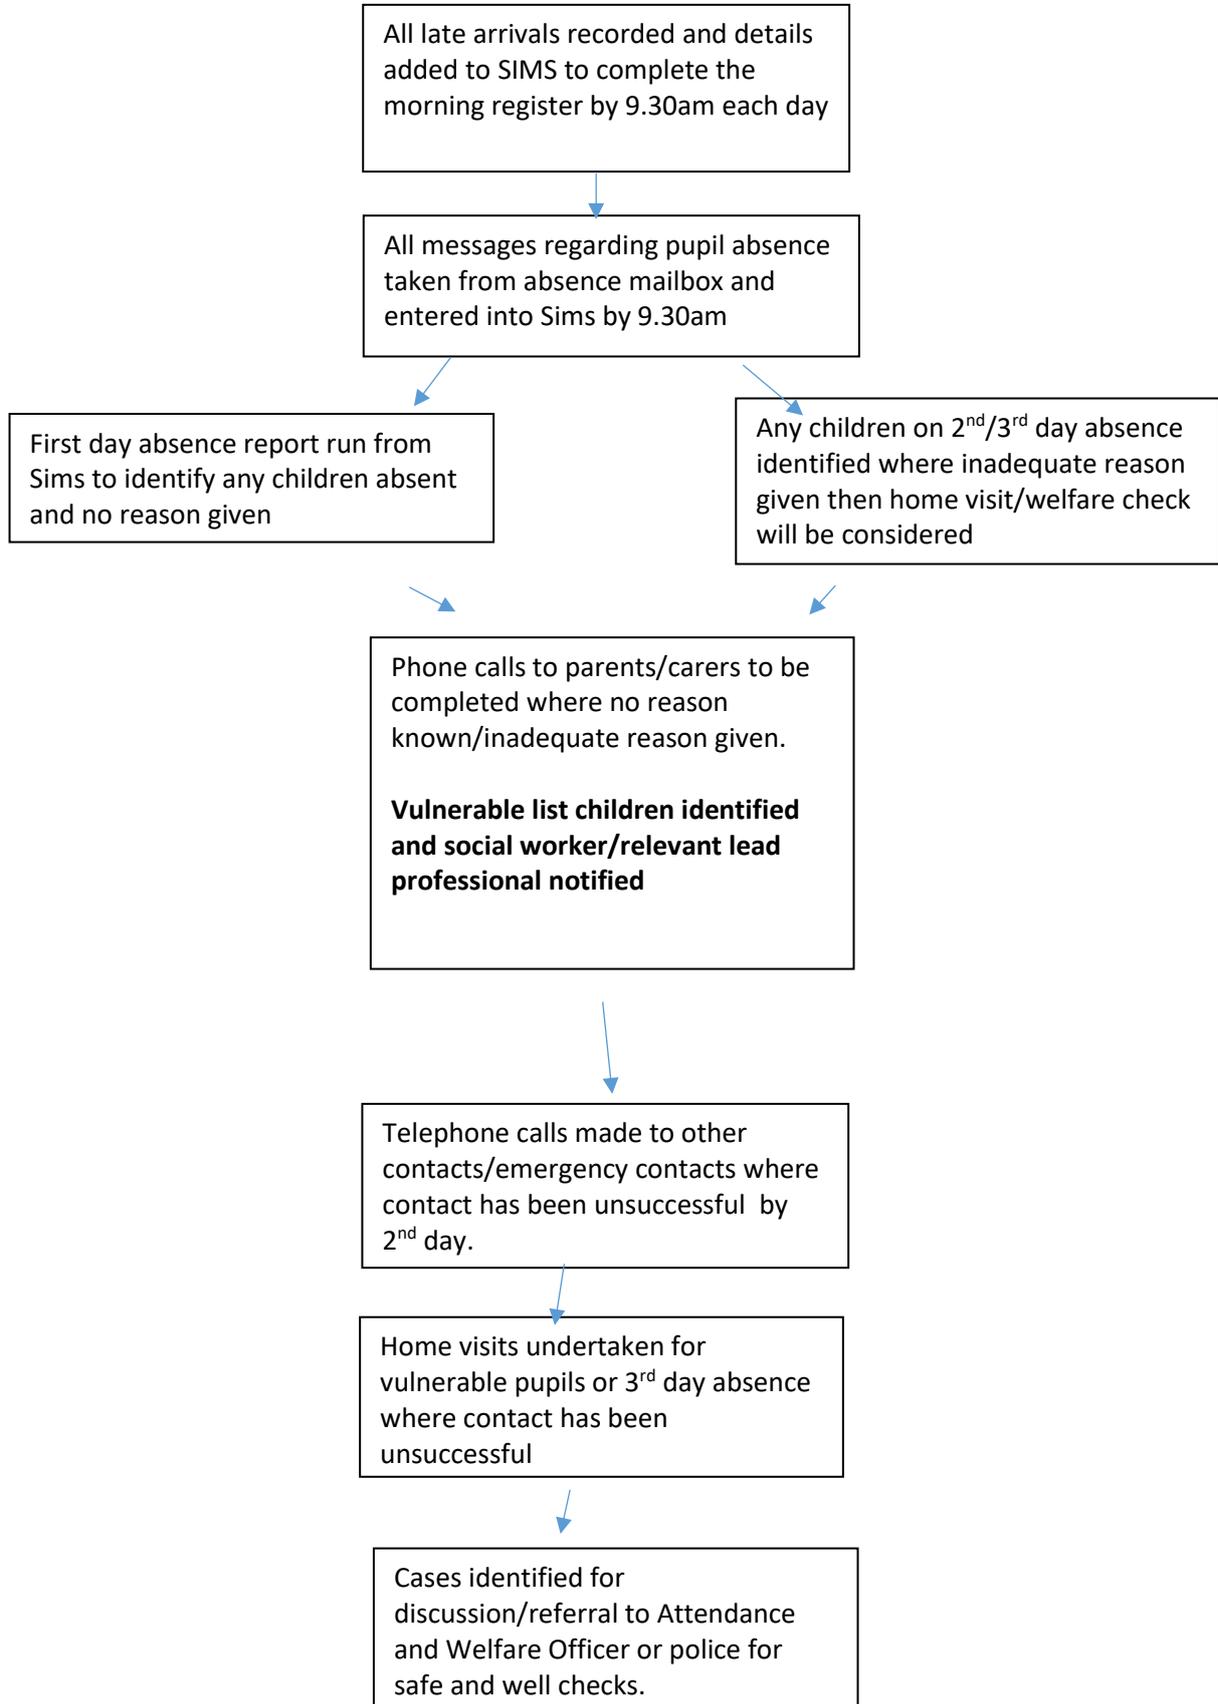

NB: Medical appointments, if medical evidence is provided, are always taken into account.

### **Changes to school day and week**

The structure of the school day and school week at Coleshill Heath School has not changed . Please refer to DEF; School Attendance Guidance 2020.

### Authorised Exceptional Leave of Absence Standard Letter

TO THE PARENTS OF:-

Dear Parents,

Thank you for your recent leave of absence request form.

I write to confirm that on this occasion I am able to authorise your child's leave of absence.

Requests for leave of absence are never taken lightly and in making this decision I have accepted your reason and evidence for the exceptional circumstance.

Yours sincerely,

Headteacher

### Unauthorised Leave of absence letter

TO THE PARENTS OF:

Dear *(inset name of parent. A individual letter should be sent to each parent, for each child as each is potentially a separate offence and a penalty notice may be issued to each parent for each fine)*

#### **Re Leave of absences request for *(pupil name dob)***

Thank you for your recent leave of absence request form.

On this occasion I am not able to authorise your child's leave of absence.

**Section 444 of the Education Act 1996** states that: If a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school his/her parent(s) are guilty of an offence.

If you decide to go ahead with your proposed leave of absence, *(pupil name)* absence will be marked as unauthorised. These unauthorised absences are referred to Solihull MBC and this may result in a Penalty Notice payable up to £120 fine for failure to comply with the law.

If you wish to discuss this matter further please contact myself or the Education Welfare Service on 0121 779 1737

Yours sincerely,

Headteacher

**Appendix 7 : New for 2020-21 – not attending in circumstances related to coronavirus (COVID-19)**

School attendance will be compulsory for all pupils again from the beginning of the autumn term. This means that, from the beginning of the new academic year in September, the usual rules on school attendance will apply.

It is a parents' duty to secure that their child attends regularly at school where the child is a registered pupil at school.

Parents should contact school on the first day of any unavoidable absence and subsequent days in line with the school policy.

It is schools' responsibilities to record attendance and follow up absence. If no reason has been given for any absence schools will follow their escalation procedure and safeguarding procedures which may include contacting other emergency contacts and referrals to CSAWS.

There is the option to issue sanctions, including fixed penalty notices in line with local authorities' codes of conduct where all other actions have failed to secure regular attendance.

It is parents responsibility to ensure that in the best interest of the safety and well-being of all children your child arrives at school on time (allocated start times have/will be provided)

**There will be some circumstances where pupils can not attend school due to coronavirus (COVID-19).**

To ensure schools record this accurately there has been an amendment to the Pupil Registration Regulations for the academic year 2020-21 to add some new categories of non-attendance. This new category of non-attendance will be recorded in the register as an X code not count as an absence.

**These category should only be used where a pupil does not attend because their travel to or presence at school would be contrary to guidance ( issued by Solihull Local Authority following the DFE or Public Health England) or Legislation relating to the incidence of or transmission of coronavirus.**

Scenario	Code
Pupil required to self-isolate due to symptoms of coronavirus awaiting test/test results	8
