

Expressive Arts & Design

- We will continue to learn and sing a variety of different songs and rhymes.
- We will explore what colours we can make when we mix colours.
- We will have lots of opportunities to choose from a range of materials to design and make our own ideas through art.
- We will explore musical instrument names and their functions.

Physical Development

- P.E – Multi skills – moving in different ways, skipping, hopping, jumping and landing, throwing and catching different objects, kicking and moving with a ball.
- We will have a really good pencil grip and be able to form all letters correctly.
- We will be really independent in looking after our own needs.
- We will begin 'Relax Kids' learning to self-regulate.

Literacy

Writing

- We will write simple sentences all by ourselves using our phonic skills.
- We will use 'Fred fingers' and begin to use finger spaces.
- We will sound out the sound we want to write.

Reading

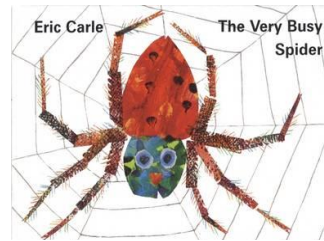

- Learn our new T4W story – The Very Busy Spider – A journey story.
- We will work hard to reading simple sentences all by ourselves using our phonics to 'decode' words and read tricky red words.

Personal, Social and Emotional Development

- We will continue the learning we have been working on all year so that we can play co-operatively and take turns with our friends.
- We will build on the confidence we have developed so far and be able to confidently talk in a group and share our ideas.
- To resolve problems that occur independently when playing with my peers.

RECEPTION – SUMMER 1

THE VERY BUSY SPIDER

Understanding of the World

- We will investigate animals and minibeasts. We will focus on adult animals and their babies.
- We will continue to observe and monitor growing plants.
- We will look at different types of technology and how and where they are used.
- We will celebrate 'Science week' by carrying out investigations, predictions and testing.

Mathematics

Number

- We will learn to count reliably with numbers from one to 20 and recognise and write them. We have a focus on teen numbers looking at the tens and ones in a teen number.
- We will learn to add and subtract using a number line and counting resources.
- We will learn to double and halve objects, shapes and numbers.

Mathematics - Shape, Space and Measure

- We will talk about and sequence time.
- We will compare quantities and objects and to solve problems.
- We will compare and measure weight.

Communication & Language

- We will make predictions about what we think might happen in stories .
- We will work on being involved in good conversations and being a good **listener** and a good **talker**.
- We will learn about using the correct past, present and future tenses when talking .
- We will be working really hard on speaking in full sentences and extend using connectives.
- We will practice asking and answering **what, when, where, how** and **why** questions.
- We will learn to use gestures when talking and communicating.
- We will continue to retell stories and experiences and learn to put more expression in our T4W stories.
- We will learn to ask relevant questions and answer them appropriately.
