Study Programme

**Employment,
Training & Skills**
for 16-18 year olds

Barnardo's Study Programme is for anyone who is aged 16-18 (or 24 with an EHC Plan)

All our learners will access functional skills and complete qualifications in Maths and English, from Entry to Level 2. Learners will be given opportunity to develop employability skills and work placements designed to give them knowledge and experience in their area of interest. Each learner is supported to complete their qualifications over 20 weeks.

We will deliver the following:

Business Administration

Learners complete a Level 1 qualification in Business Administration and ICT. These qualifications cover essential skills and knowledge related to working in a business environment which can be transferred to any type of organisation and industry.

Customer Service

Gaining a Level 1 qualification in Customer Service, this course will suit individuals with no previous experience but are looking to develop skills to work in customer based industries, such as Retail and Hospitality.

Introduction to Health & Social Care and Childcare Settings

This course gives learners a Level 1 qualification to develop an understanding of the range of services and roles within the health and social care sector and to gain work experience in their specific areas of interest.

Steps into Work

Suited for learners who would like the opportunity to explore a wide range of vocational sectors, on this programme, learners will be given the opportunity to work towards an Employability qualification and gain work experience to support them into further education, training and/or employment.
