

A-Z School Games Challenge

E – Endurance Running Challenge – 5k Fun

We would love to see you all being active and improving your physical skills, keep us updated (via Twitter) with your efforts using the **#StayInWorkOut** and tag **@SolihullNorth**

The challenge: 5k Fun

The incredible Sir Mo Farah is a gold medal winner in the 5000m (5k) and 10000m (10k) races. He ran 5k in only 12 minutes and 59 seconds. Think you and your family/friends can beat him? Let's give it a shot...

- Place two markers on the floor 10m apart – ideally in the garden, otherwise find yourself a corridor!
- Set a timer for 13 minutes
- See how many lengths you and your family can do in that time as a continuous relay
- **GOOD LUCK!**

A few facts about Mo Farah:

He is the second athlete in modern Olympic Games history, to **win both the 5000m and 10,000m** titles at **successive Olympic Games** - in London (2012), and Rio (2016).

He is the most decorated athlete in British athletics history, with **ten global titles**.

A typical training week for Mo Farah involves: **running** up to a maximum of **135 miles** per week – made up of **two sessions every day** - with **no rest days**. He ends the week with a big 22-27 mile run on Sunday (at nothing slower than marathon pace...!) The life of an elite runner!

Farah often marks victories with a celebration dance known as the "Mobot", which he adopted following a television appearance on *A League of Their Own* in 2012.

He has since used the pose as part of a charity to raise funds for his foundation.

Now you know the “Mobot” why not give the dance a try on [YouTube](#).
