

History

We will be learning about castles through the ages and how the features have developed for different purposes over time. We will also be learning about significant individuals who lived in castles through the ages.

Geography

We will be learning about castles from around the world. We will also be comparing the similarities and differences to castles in the United Kingdom.

Jigsaw – PSHE

We will be learning about our dreams and goals to create 'Our Garden of Dreams and Goals'.

English

Fiction Text: The Princess and the Frog – A lost and found tale.

Non-Fiction Text: The story of a pirate.

Instructions - "How to catch a pesky pirate"

Computing

We will be learning about how to code.

Science

We will be identifying and comparing the suitability of a variety of everyday materials.

We will also be investigating how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

Maths

Statistics: We will be learning how to interpret data from tally charts, pictograms and block diagrams.

Geometry: We will be exploring the properties of 2D and 3D shapes.

Fractions: In this unit, we will be learning how to find fractions such as $\frac{1}{2}$ and $\frac{1}{4}$ of a shape and a number.

British Values

We will be learning about Law and Order in the UK by exploring the different roles in court.

We will also be learning about human rights.

Art, Design and Technology

We will be designing, building and evaluating a model of a castle using a range of equipment and materials.

RE

Prayer at home.

We will also be learning about why we celebrate Easter.

Music

We will be learning about how to use different instruments.

YEAR 2 SPRING

TOWERS, TUNNELS AND TURRETS
