We are proud to introduce the new Congleton High School uniform for all Year 7 students that join us in September 2024.

Working together with DP Sportswear in Congleton we have moved towards a uniform that benefits from more sustainable materials, but still provides hard-wearing clothing with an impressive lifespan.

We have been determined to reduce the financial burdens to our families wherever possible, and you will find that most of the items in our uniform are now available at a lower cost than their previous equivalent, plus your child will receive their first house tie free of charge.
