

How do we fundraise?

We run a number of events over the year, mainly at school, to raise money for the improvement of facilities, as well as to provide equipment for our children. This includes (amongst others):

- Running school discos
- Selling refreshments at school productions
- Running stalls at the school festival

How can you help?

We welcome any support you can offer, including donations or use of the 'easyfundraising' website when you shop online. We especially value your ideas and a willingness to lend a helping hand at fundraising events.

We hold seven evening meetings each year in school, to which all parents are warmly welcomed. Please visit the school's website for meeting dates.

We are a registered charity made up of the parents of students at Congleton High School - run by a committee of members.

What are our aims?

Through our constitution we aim to advance the education of students at CHS by:

- Developing more extended relationships between the staff, students and parents.
- Engaging in activities which support the school and its objectives.
- Providing and assisting in the provision of facilities for education and support.

What have we provided at school?

In the past few years, in response to requests from the students, we have bought:

- Seating for the outside areas.
- New musical instruments.
- New sports equipment.
- Computerised screen in the entrance hall.
- Advanced microscopes and sewing machines.

Recent Achievements

One of our recent projects was to finance a shelter for students to use at break and lunch times.
