% achieving 9-4 incl. EM	47.1%	
Progress 8 score average	-0.24	
Attainment 8 score average	38.6	

3. Barriers to future attainment (for pupils eligible for PP)

In-school barriers *(issues to be addressed in school, such as poor literacy skills)*

A.	Literacy and numeracy skills for some students prevents them from making progress
B.	Whilst the gap between disadvantaged students at Congleton and all students nationally is small, we recognise the need to ensure that we further reduce the in school gap.
C.	The lack of self-belief, motivation and ambition amongst some disadvantaged students.
D.	Some PP students require additional care, support and guidance (pastoral)

External barriers *(issues which also require action outside school, such as low attendance rates)*

E.	Attendance rates for students eligible for PP are below the attendance for all other children (gap of 4.98%).
F.	Parental Involvement of PP students

4. Desired outcomes <i>(desired outcomes and how they will be measured)</i>		Success criteria
A.	Ensure PP students' outcomes in English and Maths are in line or better than non-PP outcomes.	Rates of progress in maths and English in KS3 and KS4 for PP students is in line or better than 'others' or the gap continues to close rapidly.
B.	Boys PP attainment and effort to be in line with girls PP across the curriculum Boys PP attainment and effort to be in line with non-PP boys across the curriculum.	Rates of progress for boys are in line or better than progress measures for girls or the gap is closing rapidly. Attitude to Learning grades of PP students are in line with or better than 'others' or the gap continues to close rapidly.
C.	Improved progress of students eligible for PP.	Rates of progress for PP students are in line or better than progress measures for non-PP or the gap is closing rapidly.
D.	Increased attendance rates for students eligible for PP.	Minimise the gap in attendance between disadvantaged students and all other students. Attendance analysis completed by year group.
E.	Improved links between home and school and students	Reduce the number of absences for PP students. Overall attendance among students eligible for PP improves, closing the gap to within 2% of 'other' students in 2018-19 and a 1% gap with 'other' students in 2019-20

A, B, C,	To develop the range of High Impact feedback strategies and embed the requirement of students to act on this feedback.	EEF identify High Quality Feedback as the strategy with the most robust evidence of enhancing student progress.	T&L Team Meetings and INSET time used to share the most effective forms of feedback. Embed 'Going Green' the requirement of student to act on feedback. Specific Pupil Premium work scrutiny.	Ongoing	BlueSky QA reports. PP only QA sample
Total budgeted cost					£24,000
ii. Targeted support					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	When will you review?	How will you evaluate & evidence impact?
A	Increase the support of HLTAs in English and Maths and implement targeted additional intervention to provide support for Pupil Premium students	CTL monitoring indicates positive progress for PP students who receive intervention.	Teachers are closely monitoring Pupil Premium students' progress and using data to inform intervention groups.	Following each data point	Post data point analysis. KS4 progress assessment sheets, focus group analysis.
D, A, B, C, E	Continue to focus on increasing attendance of Pupil Premium students so that students are in lessons and learning	Current gap in attendance between PP and non-PP students. Lack of attendance has a significant impact on student progress.	Guidance Team Leaders will work with Tutors and the Attendance Officer to implement strategies to remove barriers, real or perceived, preventing Pupil Premium students from attending school.	Summer 2019	Attendance records Reduced number of persistent absences and gap between attendance of PP and non-PP students closing.

A, C	Provide revision guides for all PP students	Students should not be hindered for not being able to access revision guides or required equipment.	Co-ordinated centrally for all subjects. CTL's to advise on required resources. PP lead to check all students have received their pack of revision guides.	Summer 2019	Post data point analysis. KS4 progress assessment sheets
Total budgeted cost					£115,000
iii. Other approaches					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	When will you review?	How will you evaluate & evidence impact?
A, D	Provide free breakfast and transport home at the end of the day.	Many PP students rely on school buses as they do not live within walking distance of school. Previous increase in PP attendance to extra-curricular clubs due to availability of free transport home.	Guidance teams to sensitively promote the services available to students.	Termly	Free Minibus service registers Attendance to extra-curricular clubs
C, E	Provide financial support for attendance on school trips.	Involvement in school trips provide valuable learning experiences for students. Financial constraints should not be a limiting factor to the range of experiences available to disadvantaged students. Previous experience demonstrates positive impact of trips on students' subsequent attitude and behaviour in school.	Staff to sensitively promote funding available for trips. Number of students attending school trips tracked and students not engaging encouraged to get involved by tutors.	Termly	Report on number of students attending trips, monitored each term.
Total budgeted cost					£12,000
