Dear Parent/Carer

Re: RBLF Policy

CHS is a school community that Achieves Success together. We want all children to enjoy learning and feel safe.

The School has a clear process or recognition which exists to promote good learning behaviour and a strong work ethos. Alongside this, rest rules that are clear to everyone who is a member of our community. In order to thrive, all students need to know where the boundaries of behaviour lie. They also need to have a good understanding of what is expected of them.

Teachers and support staff work very hard to build professional relationships with students and make lessons engaging, rewarding and relevant. If there is poor behaviour in a lesson, high quality learning cannot take place. The RBFL policy promotes and recognises good behaviour and deals with poor behaviour in a series of graduated steps. To this end, the RBFL policy does need to be carefully read.

Yours faithfully

Mrs L Darling
Deputy Headteacher

Aim of the Policy

Congleton High School aims to provide a safe and structured environment in which teachers can teach and students can learn and achieve success.

This policy aims to:

- Promote a strong community ethos, positive learning behaviour, self-regulation and excellent relationships between staff, students and families.
- Recognise children's achievements
- Provide a consistent approach to behaviour management
- Define what we consider to be acceptable behaviour
- Summarise the roles and responsibilities of different people in the school community
- Outline our system of RBFL

This policy reflects the fact that our community is diverse and that some children face a complex tapestry of needs and challenges. As a result, our systems are based upon inclusion, common sense and mutual respect. At CHS we instil a desire to work hard and learn effectively in a safe and happy environment.

Expectations on how students behave and therefore Achieve Success Together

(This is not an exhaustive list of behaviours)

Community	Achievement	Endeavour
All students will show respect and courtesy towards all members of the school community and school property.	Always want to know more and be consistently curious- love learning.	Be kind to yourself when things get tough- but don't use it as an excuse to give up.
All students will celebrate and respect the achievements of others.	Think big and be ambitious about your future.	It's ok to make mistakes when work is hard but then keep trying until you get it.
All students will be proactive in their efforts to belong to the CHS community.	Always want to be better than your previous best.	Ask for help - you, buddy 1, buddy 2, teacher.
Kindness when others struggle and offer help.	Attend all lessons, every day (except hospital/medical appointments). Aim for 98% attendance.	Know that you should find learning challenging and that failure is a normal part of learning.
Kindness when others succeed.	Arrive on time, all the time.	Bounce back when you find something difficult or don't succeed.
Praise your classmates when they have struggled and then succeeded.	Pay attention for the whole lesson.	Know the feelings that go with challenge.
Don't see the success of others as a threat to you.	No drifting/daydreaming/distracting - Track your teacher.	Accept those feelings.
Appreciate and understand the work your teachers do when you are being challenged.	Ask questions to deepen understanding or to clarify concepts.	Know that each struggle/failure is temporary, and you will get through it.
Don't 'mock' or bully other students.	Crave feedback.	Don't let your frustrated feelings turn in to giving up or poor behaviour. Stay on task.
Report or try and stop unkind words and bullying behaviour. Be an Upstander not a Bystander.	Respond to all feedback and targets set by teachers.	Go the extra mile, all the time.
Do not join in any unkind/bullying behaviour from others.	Expect to find some work really hard.	Volunteer- don't wait to be asked.
Treat others as you would like to be treated.	Read for 20 minutes every single day.	Classwork is always the best it can be.

We will acknowledge the efforts and progress of our students during structured and unstructured times, and this will be focused around the three areas of: Community, Achievement, Endeavour. What policy looks like in practice

In order to improve the learning behaviour of our students, staff at CHS will follow a stepped approach of CONSEQUENCES and associated intervention support. This will enable the child to recognise and address their poor behaviour, send a clear message to the school community about what is acceptable behaviour, keep the CHS community safe and promote a purposeful and orderly environment.

*This is not an exhaustive list of consequences and does not have to be used in a sequential format. All consequences will carefully consider the full context of the situation or incident, as well as the individuals involved.

*This is not an exhaustive list of behaviour and staff will use their discretion based on the context of the incident.

What policy looks like in practice

Detentions

In some circumstances a student's choice of behaviour may result in either a lunchtime or an after-school detention. Whilst parental consent is not required for detentions, parents will be informed if the detention is to take place after school so that appropriate travel arrangements can be made. 24 hours' notice will be given for after school detentions. Detentions that take place during the school day will be arranged so that adequate time can be allowed for the student to eat their lunch and go to the toilet.

Any behaviour that occurs in the classroom situation, which does not comply with expectations, will receive a verbal warning C1. If a student continues with that behaviour, or is not complying in another way, a C2 will be issued. This will be followed by a C3 then, if necessary, the student may be removed from the room by a Member of Staff on Call-Out who will issue a C4 and will remove the student to another room.

The consequence for being late to lesson is a verbal warning C1 initially. Poor punctuality at Registration will be dealt with through the Guidance System. Not having the correct equipment or uniform is considered to be failing to comply with the above expectations. If homework/coursework is not handed in on time, this is also considered to be failing to comply with the above expectations. The consequences will be an H3 (lunchtime detention).

Fixed Term and Permanent Exclusions

On the very rare occasions that a student's behaviour cannot be appropriately dealt with using the RBFL Policy it may be necessary exclude a student from school for a fixed period of time (Fixed Term Exclusion) or on even rarer occasions it may be necessary to consider permanently excluding a student from school. Exclusion may take the form of Internal Isolation, Suspended Exclusion, Fixed Term Exclusion or Permanent Exclusion.

The following issues will be taken into consideration: -

- The safety and wellbeing of other students and adults.
- The seriousness of the offence committed.
- The previous behaviour record.
- Other strategies or interventions which have already been tried.
- The student's known educational, safeguarding and medical needs.
- The support of external agencies in providing alternatives to permanent exclusion.

An exclusion will be considered for serious incidents, such as: -

- Refusal to follow the RBFL Policy.
- Unsafe behaviour.
- Persistent disruption of lessons.
- Defiance or verbal abuse of staff.
- Repeated or serious acts of bullying.
- Violence or threat of serious violence towards other students or staff.
- Deliberately setting off the fire alarm.
- Theft.
- Drug related offences.
- Sexualised behaviours.
- bringing prohibited items weapons onto school premises.

Only the Headteacher or in their absence senior staff with delegated responsibility, can issue a fixed term exclusion. In very exceptional circumstances a permanent exclusion from school may be necessary when repeated fixed term exclusions are not providing the necessary improvement in behaviours or actions, or for single, particularly serious incidents which jeopardises the safety and wellbeing of another person or persons. The school will comply with government guidance around permanent exclusion. Congleton High School is committed to using a broad range of strategies to minimise the chances of permanent exclusions and to working with parents/carers and support agencies in constructive partnership.

For some students at risk of permanent exclusion a managed move to another school may be considered. This would be discussed with both the student and the parents/carers before another school was approached and we would work with the receiving school to ensure the move has the best possible chance of succeeding.

Work will be set for the student during an exclusion. For an exclusion exceeding five days, school will make arrangements for the student to attend another organisation after the fifth day and will send work to that organisation. A readmission meeting with parents will always be arranged and a supportive reintegration programme and contract will be put in place following a student's exclusion.

Confiscation of Inappropriate Items

Any student who is found in the possession of inappropriate or prohibited item, will have the item confiscated. Where there is a suspicion that a student has an inappropriate or prohibited item, they will be required to empty their pockets, bags and locker. Refusal to do so will be classed as refusal to follow instructions and will result in the appropriate consequence in the Recognition and Discipline for Learning Policy.

Inappropriate items include inappropriate items of clothing or jewellery, items brought into school for the purpose of selling to make a personal profit (including items bought in such a manner), cigarettes, vapes, tobacco and other smoking related items, knives or weapons, alcohol, illegal drugs, stolen items and any other items that may endanger the wellbeing, health and safety of others.

School reserves the right to search a student where there is a suspicion that the student may be carrying knives or weapons, alcohol, illegal drugs and stolen items. Parents will be contacted and informed of the nature of any items confiscated and appropriate arrangements made for the safe collection of such items. Illegal items will be handed to the Police.

Student Behaviour Outside School

The Rewards and Discipline for Learning Policy will be applied to all students:

- Taking part in any school-organised or school-related activity or
- Travelling to or from school or
- Wearing school uniform or
- In some way identifiable as a student of Congleton High School

The policy will also be applied to poor behaviour at any time, whether or not the conditions above apply, that:

- Could have repercussions for the orderly running of the school or
- Poses a threat to another student or member of the public or
- Could adversely affect the reputation of the school

In addition, behaviour that may be criminal will be reported to the police.

Malicious Allegations

Where a student makes an accusation against a member of staff and that accusation is shown to have been malicious, the Headteacher will discipline the student in accordance with this policy.
