Together in the Pursuit of Excellence

**RBFL Policy:**

<b>Policy Lead:</b>	Mrs Darling
<b>Last Review Date:</b>	September 2023
<b>Next review date:</b>	September 2024
<b>Approval needed by:</b>	Local Governing Board

CHS is a school community that is *together in the pursuit of excellence*. We want all children to thrive in their learning and feel safe.

The school has a clear process of recognition which exists to promote excellent learning behaviour and a strong work ethos. Alongside this, rest rules that are clear to everyone who is a member of our community. In order to thrive, all students need to know where the boundaries of behaviour lie and what is expected of them.

Teachers and support staff work very hard to build professional relationships with students and make lessons engaging, rewarding and relevant. If there is less than excellent behaviour in a lesson, high quality learning cannot take place. The RBFL policy promotes and recognises excellent behaviour and deals with unacceptable behaviour in a series of graduated steps.

### Our Moral Purpose

- At Congleton High School we are '***together in the pursuit of excellence***'. Our vision is to inspire scholarly excellence in all students. We work as a community to provide support, care and guidance that enables students to excel. Our values of ***curiosity, courage,*** and ***ambition*** shape confident, happy learners who make a valuable contribution to society.
- Our core values characterise our community as we strive for the highest standards and achievements. At Congleton High School we promote:

#### Curiosity:

- Curiosity is essential for personal growth and development as it helps us to understand the world around us, to solve problems and to innovate.
- We encourage our students to be confidently curious about the world around them, to ask challenging questions and be open to new experiences and differing views.

#### Courage:

- Courage is essential for success, and we encourage students to be courageous in their academic endeavours, the life choices they make and in choosing positive relationships with those around them.
- The courage to be kind, respectful and resilient is an essential part of our ethos.

#### Ambition:

- Ambition is empowering and hopeful, we encourage students to be ambitious in their goals and dreams. Together, we believe '***we can***'!
- We strive for excellence in all areas of our school community and we value the unique contribution of every student. We offer diverse opportunities that build character and open hearts and minds, preparing them for an exciting and rapidly changing world

### Aim of the policy

Congleton High School aims to provide a safe and structured environment in which teachers can teach and students can learn and achieve excellence together.

This policy aims to:

- Promote a strong community ethos, positive learning behaviour, self-regulation and excellent relationships between staff, students and families.
- Recognise children's achievements
- Provide a consistent approach to behaviour management
- Define what we consider to be acceptable behaviour
- Summarise the roles and responsibilities of different people in the school community
- Outline our system of RBFL

This policy reflects the fact that our community is diverse and that some children face a complex tapestry of needs and challenges. As a result, our systems are based upon inclusion, common sense

and mutual respect. At CHS we instil a desire to work hard and learn effectively in a safe and happy environment. Our RBFL policy considers Trauma Informed Practice.

### What policy looks like in practice

In order to improve the learning behaviour of our students, staff at CHS will follow a stepped approach of CONSEQUENCES and associated intervention support. This will enable the child to recognise and address their poor behaviour, send a clear message to the school community about what is acceptable behaviour, keep the CHS community safe and promote a purposeful and orderly environment.

\*This is not an exhaustive list of consequences and does not have to be used in a sequential format. All consequences will carefully consider the full context of the situation or incident, as well as the individuals involved.

## Link between unacceptable behaviours and consequences

\*This is not an exhaustive list of behaviour and staff will use their discretion based on the context of the incident.

## What policy looks like in practice

### Detentions

In some circumstances a student's choice of behaviour may result in either a lunchtime or an after-school detention. Whilst parental consent is not required for detentions, parents will be informed if the detention is to take place after school so that appropriate travel arrangements can be made. 24 hours' notice will be given for after school detentions. Detentions that take place during the school day will be arranged so that adequate time can be allowed for the student to eat their lunch and go to the toilet.

Any behaviour that occurs in the classroom situation, which does not comply with expectations, will receive a verbal warning C1. If a student continues with that behaviour, or is not complying in another way, a C2 will be issued. This will be followed by a C3 then, if necessary, the student may be removed from the room by a Member of Staff on Call-Out who will issue a C4 and will remove the student to another room.

## **Suspension and Permanent Exclusions**

On the very rare occasions that a student's behaviour cannot be appropriately dealt with using the RBFL Policy it may be necessary to suspend a student from school for a fixed period of time or on even rarer occasions it may be necessary to consider permanently excluding a student from school.

The following areas will be taken into consideration: -

- The safety and wellbeing of other students and adults.
- The seriousness of the offence committed.
- The previous behaviour record.
- Other strategies or interventions which have already been tried.
- The student's known educational, safeguarding and medical needs.
- The support of external agencies in providing alternatives to permanent exclusion.

A Suspension or permanent exclusion will be considered for serious incidents, such as: -

- Refusal to follow the RBFL Policy.
- Unsafe behaviour.
- Persistent disruption of lessons.
- Defiance or verbal abuse of staff.
- Repeated or serious acts of bullying.
- Violence or threat of serious violence towards other students or staff.
- Deliberately setting off the fire alarm.
- Theft.
- Drug related offences.
- Sexualised behaviours.
- Bringing prohibited items weapons onto school premises.

Only the Headteacher or in their absence senior staff with delegated responsibility, can issue a Suspension. In very exceptional circumstances a permanent exclusion from school may be necessary when repeated suspensions and interventions are not providing the necessary improvement in behaviours or actions, or for single, particularly serious incidents which jeopardises the safety and wellbeing of another person or persons. The school will comply with government guidance around permanent exclusion. Congleton High School is committed to using a broad range of strategies to minimise the chances of permanent exclusions and to work with parents/carers and support agencies in constructive partnership.

Work will be set for the student during suspension. For suspensions exceeding five days, school will make arrangements for the student to attend another organisation after the fifth day and will send work to that organisation. A readmission meeting with parents will always be arranged and a supportive reintegration programme and behaviour plan will be put in place following a student's suspension.

### **Confiscation of Inappropriate Items**

Any student who is found in the possession of inappropriate or prohibited item, will have the item confiscated. Where there is a suspicion that a student has an inappropriate or prohibited item, they will be required to empty their blazer pockets, bags and locker. Refusal to do so will be classed as refusal to follow instructions and will result in the appropriate consequence in the Recognition and Behaviour for Learning Policy.

Inappropriate items include inappropriate items of clothing or jewellery, items brought into school for the purpose of selling to make a personal profit (including items bought in such a manner), cigarettes, vapes, tobacco and other smoking related items, knives or weapons, alcohol, illegal drugs, stolen items and any other items that may endanger the wellbeing, health and safety of others.

School reserves the right to search a student where there is a suspicion that the student may be carrying knives or weapons, alcohol, illegal drugs, stolen items or other prohibited items. Parents will be contacted and informed of the nature of any items confiscated and appropriate arrangements made for the safe collection of such items if appropriate. Illegal items will be handed to the Police. Vapes and associated paraphernalia will be disposed of by school staff.

### **Student Behaviour Outside School**

The Recognitions and Behaviour for Learning Policy will be applied to all students:

- Taking part in any school-organised or school-related activity or
- Travelling to or from school or
- Wearing school uniform or
- In some way identifiable as a student of Congleton High School

The policy will also be applied to poor behaviour at any time, whether or not the conditions above apply, that:

- Could have repercussions for the orderly running of the school or
- Poses a threat to another student or member of the public or
- Could adversely affect the reputation of the school

In addition, behaviour that may be criminal will be reported to the police.

### **Malicious Allegations**

Where a student makes an accusation against a member of staff and that accusation is shown to have been malicious, the Headteacher will discipline the student in accordance with this policy.
