Please contact Mrs Trigg, our Business Manager on NTrigg@CongletonHigh.com if you have any queries about these bus services.

Transport Bursary Fund

We do not want the costs of transport to be a barrier to any student wishing to study with us in Congleton High Sixth Form. We have therefore introduced a Transport Bursary Fund for Sixth Formers to ensure that any student entitled to financial support need not worry about this.

If you travel to school by bus or incur other transport costs, you can make an application for support from summer term 2025 onwards. Please provide any supporting evidence with your completed application form. After you enrol with us for September, we will confirm the amount of support to which you are entitled. Payments are made at the end of each half term, when evidence of costs incurred has been submitted to our Finance Office.

Any student will be entitled to apply for a Transport Bursary if they meet the following criteria:

- They are enrolled on a full-time course at Congleton High School Sixth Form
- Their attendance is over 95%. (Payments will be made at the end of each term but allocations can be reduced or withheld if attendance was below 95% in the preceding term).

You can apply for our Transport Bursary via the link on the Student Support section of our website or by scanning the QR code below.
