

Transport for Sixth Form Students

To find details of bus services to Congleton High School, please see:

<http://www.congletonhigh.com/84/bus-services>

The Local Authority provides transport for 11-16 students on buses 81090, 81092, 81083 and 81104. Sixth Form students will need to contact Transport Service Solutions on Tel:0300 123 5012 to check if they will be able to travel on one of these bus services.

Commercial companies run bus services K80, K85, K98 and 94. Please contact Mr Donnelly, Sixth Form Progress Leader, via email, on adonnelly@congletonhigh.com if you have any queries about these bus services.

Transport Bursary Fund

We do not want the costs of transport to be a barrier to any student wishing to study with us in Congleton High Sixth Form. We have therefore introduced a Transport Bursary Fund for Sixth Formers to ensure that any student entitled to financial support need not worry about this.

If you travel to school by bus or incur other transport costs, you can make an application for support from summer term 2022 onwards. Please provide any supporting evidence with your completed application form. After you enrol with us for September, we will confirm the amount of support to which you are entitled. Payments are made at the end of each term, when evidence of costs incurred has been submitted to our Finance Office.

Any student will be entitled to apply for a Transport Bursary if they meet the following criteria:

- They are enrolled on a full-time course at Congleton High School Sixth Form
- Their attendance is over 95%. (Payments will be made at the end of each term but allocations can be reduced or withheld if attendance was below 95% in the preceding term).

Application forms for the Transport Bursary Fund can be obtained from Student Reception, from the Sixth Form Centre or from the Sixth Form page of our website on the How to Apply section - <https://www.congletonhigh.com/sixth-form/how-to-apply>.
