

Biology Triple FT

Paper 1: 12th May Paper 2: 8th June

Week no (date): Topic focus	Specification link	Web links	Required practical (if required)	Past Paper Questions	Mark Schemes
1 (26 th Jan):	Paper 2: Bioenergetics	GCSE Biology Revision "Photosynthesis"	Rate of Photosynthesis	AQA GCSE Biology Topic 4: Bioenergetics Revision - PMT	AQA GCSE Biology Topic 4: Bioenergetics Revision - PMT
2 (2 nd Feb):	Paper 2: Ecology	GCSE Biology Revision "Competition and Interdependence"	Sampling Decay	AQA GCSE Biology Topic 7: Ecology Revision - PMT	AQA GCSE Biology Topic 7: Ecology Revision - PMT
3 (9 th Feb):	Paper 2: Inheritance	GCSE Biology Revision "Sexual and Asexual Reproduction"		AQA GCSE Biology Topic 6: Inheritance, Variation and Evolution Revision - PMT	AQA GCSE Biology Topic 6: Inheritance, Variation and Evolution Revision - PMT
4 (16 th Feb):	Paper 2: Homeostasis	GCSE Biology Revision "Homeostasis" - YouTube	Reaction Times Plant hormones (phototropism)	AQA GCSE Biology Topic 5: Homeostasis and Response Revision - PMT	AQA GCSE Biology Topic 5: Homeostasis and Response Revision - PMT
Mocks for 2 weeks					
7 (9 th March):	Paper 1: Cells Biology	GCSE Biology Revision "Eukaryotes and Prokaryotes"	Microscopes and Biological drawing Osmosis (potato)	AQA GCSE Biology Topic 1: Cell Biology Revision - PMT	AQA GCSE Biology Topic 1: Cell Biology Revision - PMT
8 (16 th March):	Paper 1: Organisation (Animal biology)	GCSE Biology Revision "The Digestive System"	Enzymes (amylase) Food Tests	AQA GCSE Biology Topic 2: Organisation Revision - PMT	AQA GCSE Biology Topic 2: Organisation Revision - PMT
9 (23 rd March):	Paper 1: Organisation (plant Biology)	GCSE Biology Revision "Plant Tissues"		AQA GCSE Biology Topic 2: Organisation Revision - PMT	AQA GCSE Biology Topic 2: Organisation Revision - PMT
10 (30 th March):	Paper 1: Infection	GCSE Biology Revision "Communicable and Non-Communicable Disease"	Aseptic Technique and antiseptics	AQA GCSE Biology Topic 3: Infection and Response Revision - PMT	AQA GCSE Biology Topic 3: Infection and Response Revision - PMT

Biology Triple FT

Paper 1: 12th May Paper 2: 8th June

Week no (date): Topic focus	Specification link	Web links	Required practical (if required)	Past Paper Questions	Mark Schemes
11 (6 th April):	Paper 1: Bioenergetics	See previous slide for links	Rate of Photosynthesis	See previous slide for links	See previous slide for links
12 (13 th April):	Paper 2: Ecology and Inheritance (see above for links)	See previous slide for links	Sampling Decay	See previous slide for links	See previous slide for links
13 (20 th April):	Paper 2: Inheritance and Homeostasis (see above for links)	See previous slide for links	Reaction Times Plant hormones (phototropism)	See previous slide for links	See previous slide for links
14 (27 th April):	Paper 1: Cells and Organisation (see above for links)	See previous slide for links	Microscopes and Biological drawing Osmosis (potato)	See previous slide for links	See previous slide for links
15 (4 th May):	Paper 1: Infection and Bioenergetics (see above for links)	See previous slide for links		See previous slide for links	See previous slide for links
