Headteacher's Welcome

'Together in the Pursuit of Excellence'

Student Progress

Well, my child's got a 90% attendance record – that seems pretty good to me!

The single most important thing you can do to support your child is to send them to school, EVERY day, on TIME!

- In a single year this would mean your child has missed **four whole weeks.**
- Over 5 years it means that your child has missed **half a school year or one and a half terms!**

Student Progress

Attendance impact for one year

Missed lessons create knowledge gaps

ATTENDANCE DURING ONE YEAR	EQUALS DAYS ABSENT	WHICH MEANS THIS NUMBER OF LESSONS MISSED
97%	6 DAYS	30 LESSONS
90%	20 DAYS	100 LESSONS
80%	39 DAYS	195 LESSONS
LESS THAN 75%	48 DAYS	MORE THAN 240 LESSONS

- Mock Exams in November and March.

Student Support

- What can you do to support your child?
- You don't have to be an expert in any of the subjects your child chooses to make a real difference - you just need to know how best to spend the time you do have, at each stage of the process.
- Attend Progress Evenings and Information Evenings.
- Take an interest – learn together!
- Support with any future application process and encourage students to seek support where needed.
