### Pig Heart Boy by Malorie Blackman

I have chosen a book that was written by a woman named Malorie Blackman. The book she wrote is *Pig Heart Boy*.

The characters are a boy named Cameron, Dr Bryce, and Cameron's mum, dad and grandma. The book is about a boy, Cameron, who has problems with his heart. All of Cameron's family care very much for him and his health. Cameron ends up having to have a new heart from a pig named Trudy. Later he has his transplant and it leaves you in suspense to know whether the transplant has gone well.

Malorie Blackman's writing helps build up emotion in the reader, which makes the reader realise how lucky they are.

I enjoyed this book because of everything it talks about and how it flows very well so you don't lose interest. I think people between 11-12+ should read this because the language used is aimed at young adults. It is an amazing book and interesting at the same time. It is one of the most gripping and intense books I have ever read.

I would give it 5 stars. ★★★★★
