### The Brilliant World of Tom Gates by L Pichon

The Tom Gates series is one of my favourite book series in the world because of how much happens in the books and that the joy of reading them never stops!

If you didn't already know by the title, the main character is Tom Gates (unsurprisingly) and he is very good at drawing and playing pranks on his very grumpy older sister, Delia. Tom is in a band he made up called, "Dog Zombies" and two of his friends, named Derek and Norman, are in his band. Norman is a drummer and Derek is a guitarist.

What I like about this book is that it doesn't really follow any line that the story has to go in and the book just kind of makes up the story as it goes along and that is also why I believe that this book is suitable for other readers to enjoy! Although, I do feel like it should be aimed at younger audiences.
