

## Careers Guidance - Provider Access Policy

### **1. Introduction**

This policy statement sets out Cmat's arrangements for managing the access of providers to students at all academies within the trust, for the purposes of giving them information about the provider's education or training offer. This complies with the Trust's legal obligations under Section 42B of the Education Act 1997.

### **2. Student entitlement**

All students in Years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme, which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships - through options evenings, assemblies, group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

### **3. Management of provider access requests**

#### **Procedure:**

Any provider wishing to request access should contact Julie Boulton, Assistant Principal.

Telephone: 01260 730123

E-mail: [jboulton@congletonhigh.com](mailto:jboulton@congletonhigh.com)

### **4. Opportunities for access**

A number of events, integrated into the Trust's careers programme, will offer providers an opportunity to come into an academy to speak to students and/or their parents/carers.

Please speak to the named careers leader to identify the most suitable opportunity for you. The Trust's safeguarding policy sets out our approach to allowing providers into academies, as visitors, to talk to our students.

### **5. Review**

This policy will be reviewed in May 2019.
