Leadership Message

It has been another busy and positive week in school, with lots to celebrate.

Our attendance league winners, 3S and 2K, thoroughly enjoyed their Lego workshops – a well-deserved reward for their fantastic commitment to being in school every day. It was wonderful to see such creativity, teamwork and enthusiasm on display. The league has now restarted for the final reward of the year, and the children are very excited about the prize!

Reception had an exciting trip to the safari park, which was a brilliant opportunity to bring their learning to life. They have also been loving their time in school caring for the chicks, a lovely experience that has sparked lots of curiosity, responsibility and discussion.

We have also continued with our curriculum meetings for parents, which have been well attended. Thank you to those who have joined us, these sessions are a valuable way for us to share how learning works in school and how you can support your child at home.

A reminder that school will be closed on Monday for the bank holiday. We will be open as normal for the rest of the week, including Thursday, when voting will take place in the sports hall. The school day will run as usual.

Enjoy the long weekend, see you next week!

Safeguarding

School absence

If your child/children will be absent from school then please inform the school office on the first day of every absence before 9:30am. If school does not receive a message, then a safeguarding safe and well check to your home address will be made.

Can you also please provide medical evidence to the office so your child's absence can be authorised by the Head Teacher.

Thank you for your continued support.

SEND Reforms: Online Sessions for Parent Carers - 5 and 7 May 2026

days lost per class

Next Week's Celebration Assembly: **Friday, 8:50-9:30am**

Invited parents/carers will be notified before the assembly.

As we are in the final school term already, I thought it would be nice to look back on all the trips and visits we had last term, to remind ourselves of the experiences our children have had outside the classroom. These opportunities enrich our curriculum and create lasting memories for our children.
