Leadership Message

It has been another successful and rewarding week at school, and it is wonderful to see the many ways in which our school continues to improve. Our children are making very good progress in their learning and are growing in confidence every day. One of the most pleasing developments is seeing pupils increasingly share their ideas about how we can make our school even better. We firmly believe that this is their school, and we want every child to love every part of their school experience. To support this, we now have a School Council, Eco Council and Safeguarding Team working alongside our Prefects. These groups will play an important role in helping us to continue improving our school environment, strengthening pupil voice and ensuring that our school remains a safe, happy and welcoming place for everyone.

We are also very excited about the new home reading books that we are preparing for September. Staff have been working hard to review and organise these resources so that we can provide children with an even better reading experience from the start of the new academic year. As a result of this transition, there will be a slight change to the books that your child brings home during the final six weeks of this term. In the meantime, please continue to read regularly with your child at home.

Finally, I would like to thank everyone who took the time to complete our recent parent, pupil and staff surveys. I am delighted to report that the feedback has been overwhelmingly positive and reflects the strong sense of community and happiness that exists across our school. It is particularly pleasing to see that pupils, parents and staff all recognise the many strengths of our school and the positive experiences we work hard to provide every day. The survey results are now available on our website should you wish to take a closer look. Of course, we are always looking for ways to improve further. If there are any areas where you feel we could do even better, please do come into school and share your thoughts with us. By working together, we can continue to provide the very best opportunities and experiences for all of our children.

Safeguarding—Lates

We are seeing an increased number of children who are arriving to school after the registers have been taken, this means that your child will be marked on the register with a **late code**. The school gates are open between **8:30 and 8:45am** so can we all please try and work together to have children in school on time so they can start their lessons promptly. Thanks for your continued support.

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STOP AND THINK

Take time to assess your surroundings.

Look for the dangers and always research local signs and advice.

STAY TOGETHER

When around water always go with friends or family.

Swim at a lifeguarded venue.

In an emergency:

CALL 999

If you are at the coast, call 999 and ask for the Coastguard.

Don't enter the water to rescue.

FLOAT

Fall in or become tired - stay calm, float on your back and call for help.

Throw something that floats to somebody that has fallen in.
