Leadership Message

As we move further into the summer term, I would like to take a moment to sincerely thank all parents and carers for your continued support from home. It is clear from our recent parent, staff and pupil surveys that things are going well across the school, and this is something we are incredibly proud of. We know that this success does not happen easily—it is the result of a strong partnership between home and school. Your encouragement, communication and commitment make a genuine difference to the outcomes of our pupils. This team effort is also reflected in our attendance figures, which remain above the national average and continue to improve as the year progresses. Good attendance is vital for learning, and we are grateful for the role you play in ensuring children are in school, on time and ready to learn each day.

Looking ahead, next week is an important milestone for our Year 6 pupils as they take part in their SATs assessments. This is a valuable opportunity for them to demonstrate all that they have learned during their time at primary school, and I am confident they will rise to the challenge and truly shine. I would like to extend my thanks in advance to all staff members who have supported the children in preparing for this week—their dedication and hard work have been instrumental. We also ask for the continued support of Year 6 parents and carers during this period. Ensuring pupils attend every day, get a good night's sleep and arrive at school promptly—ideally in time for Breakfast Club—will help them feel calm, confident and ready to do their best. With this combined support, I have no doubt our pupils will approach the week with resilience and positivity.

Safeguarding—Nut Free School

Can we please remind everyone that we are a **nut free** school—we have children with severe nut allergies and have noticed an increase in foods containing nuts in children's lunch boxes.

Please speak to a staff member if you have any concerns.
Thank you for your continued support.
