

Leadership Message

It has been another really positive week at Conway, and I have been particularly pleased with how settled the children are across school. There is a lovely, calm and purposeful atmosphere in classrooms, with children demonstrating positive attitudes towards their learning and continuing to build strong relationships with staff and one another. Attendance has also been very encouraging, and I would like to thank all our families for their continued support in ensuring children are in school every day and arriving on time. We really do value the partnership we have with our parents, and your support plays an important part in helping our children to thrive.

Our **Parents' Evening will take place on Wednesday 21st October**, and letters with further information are being sent home today. This is an important opportunity for you to meet with your child's teacher, hear about how they have settled into their new year group and discuss the progress they are making. It is also an opportunity for us to listen to you and work together to ensure your child has the very best experience at school. We hope that as many parents as possible will be able to attend, as we know how valuable these conversations are in supporting children's learning and development.

Finally, I am delighted to share the outcome of our external safeguarding review, which took place last week. The review found that **Conway is very secure in all areas of safeguarding**, reflecting the strong systems, procedures and culture that we have established across school. Particularly pleasing was the feedback from our children, who spoke confidently about feeling safe in school and knowing which adults they could turn to if they needed help. This is something we are especially proud of, as children's safety, happiness and wellbeing will always be our greatest priority.

Safeguarding: Mental Health Awareness

Keeping our children safe is a responsibility we all share. Please take extra care when travelling to and from school by using designated crossing points, driving slowly near the school gates and avoiding distractions. Encourage children to stop, look, listen and think before crossing the road. Together, we can help keep everyone safe.

HALL GREEN FAMILY VOICES EVENTS

Family Voices is a parent-led group designed to help shape and improve local family hub services. Parents and carers, particularly those with children under 2, can join to ensure services meet community needs while gaining confidence and connecting with others. The initiative operates under the Best Start in Life offer. Our next events will be held:

Tuesday 20th October
10:00 - 11:30am
@ The Springfield Project
Springfield Road,
B13 9NY

Thursday 5th November
10:00 - 11:30am
@ Together St Pauls
10 Malvern St,
B12 8NN

Have your say - Share your experiences and ideas to help shape local family services across the whole of Birmingham.

Be heard - Join friendly sessions where parents, carers, and young people talk about what really matters.

Make a difference - Your feedback helps improve support, activities, and opportunities for families in your area.
