

Conway Chronicle

Issue 32

12th June 2026

Leadership Message

It has been another fantastic week at Conway, with our children engaging enthusiastically in a wide range of learning experiences. We are incredibly proud of the effort, resilience and curiosity they show each day. This week our Hive children visited Sheldon Country Park and our Y3 children stepped back in time at Lunt Fort. For these experiences and so much more, we must express a huge 'well done' to all of our children and staff for making it such a positive and productive week.

As we look ahead to a period of warmer weather, we ask families to support us by reinforcing important safety messages. Please remind children about the dangers of open water and the importance of staying well away from lakes, rivers and canals. In school, we will continue to promote sun safety—children are welcome to bring hats to wear outdoors but please ensure sunscreen is applied before your child arrives each morning. Please note that sunglasses should only be brought into school if prescribed by an optician.

Looking ahead, there will be some changes to our wrap-around care from September, including a new booking system for Breakfast Club and a small charge for late collections. Further details will follow soon.

Our attendance league continues to inspire. Regular attendance remains vital, and we encourage all children to attend every day right up until the final day of term.

Thank you for your ongoing support in making Conway such a thriving and successful school.

17th July—LAST DAY OF SCHOOL YEAR—all pupils finish school at 1pm

School Meals

Important Information: Free School Meals Eligibility from September 2026

Free School Meals eligibility is changing from **September 2026**.

From September 2026, there will **no longer be an earnings limit** for families in receipt of Universal Credit. This means that if your family receives Universal Credit, you may be eligible to claim Free School Meals for your child.

However, please note that a child will only receive Free School Meals where an **application has been made and eligibility has been verified by the Local Authority**, these will be checked on an annual basis.

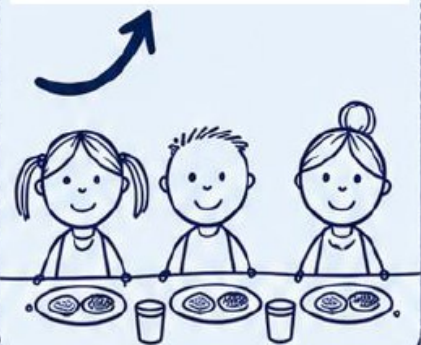

If you are in receipt of Universal Credit, it is very important that you **complete an application before September 2026** to avoid your child not receiving Free School Meals when we return after the summer break.

Please **complete the application as soon as possible**, alternatively pick up a paper form from the main office.

Scan here to
apply online

Don't miss out – apply before **September 2026!**

If you have any questions, please contact the school office.
