Leadership Message

What a fantastic week of learning we have had at Conway! Our children have been busy, curious and full of enthusiasm across the school.

Year 5 impressed us with their Bikeability skills, showing great confidence and responsibility as they learnt how to stay safe on the roads. In Year 3, pupils explored the fascinating world of light, investigating how we see and how shadows are formed through hands-on experiments. Year 6 enjoyed an exciting virtual trip to the Galapagos Islands, discovering the unique wildlife and landscapes that inspired Charles Darwin. Meanwhile, Year 1 have been drawing old toys and learning about how play has changed over time.

A reminder to all families that school will be **closed on Thursday 19th March and Friday 20th March for Eid**. We wish all our families a warm and heartfelt **Eid Mubarak**.

We are also looking forward to celebrating together when we return: on **Monday 23rd March**, each year group will be holding their own Eid party. We cannot wait to see our children dressed in their Eid clothes and to share in this joyful occasion as a community.

Finally, we must say "Thank you" to you, our wonderful Conway Community for your continued support. We are incredibly grateful for everything you do—together, we truly make a great team.

Safeguarding—Applying for a Nursery School, 2026

If you have a younger child who is 3 before 31.08.2026, they will be due to start nursery in September. If you have a child who is due to start nursery or you know someone who does, please call into the office to collect an application form. These forms must be completed by **20th March**.

School offers will be sent to families before the Easter holidays, giving you lots of time to prepare your little one for the start of their school journey.

Secondary School Offers

If you have not submitted an application for a secondary school space for your Year 6 child, please apply online as a matter of urgency by visiting <https://www.birmingham.gov.uk/schooladmissions>
