## Leadership Message

Welcome back to the Summer Term. It has been a real pleasure to see the school full of energy, enthusiasm and positivity following the break. I would like to take this opportunity to thank both our pupils and parents for such a smooth and successful start to the term. The children have returned ready to learn, demonstrating excellent attitudes in their classrooms and around the school. Your continued support at home plays a vital role in this, and it is greatly appreciated by all staff.

This week has already been filled with exciting opportunities and experiences for our pupils. Year 3 enjoyed a fantastic visit to the city centre, where they were able to bring their learning to life beyond the classroom. We also had 40 pupils travel to London for a truly inspiring visit to the Houses of Parliament, an experience that will undoubtedly leave a lasting impression. Back in school, we have launched over ten after-school clubs, providing a wide range of opportunities for children to explore new interests and develop their skills. In addition, all of Year 5 have begun their six-week mentoring programme, which promises to be a valuable and enriching experience for everyone involved.

Over the next two weeks, we will be focusing on giving our pupils an even greater voice within the school community. We will be establishing our School Council, Eco-Team and Safeguarding Council, enabling children to take an active role in shaping and improving their school environment. Alongside this, each year group will be developing a section of our school garden area, encouraging a sense of pride, responsibility and teamwork. These initiatives are an important part of helping our pupils to feel empowered and invested in their school, and we look forward to seeing the positive impact they will bring.

## Safeguarding—Applying for a Nursery School, 2026

Entrance Moving to Conway Road Gates

From Monday 13th April 2026, we are moving the school main entrance to the main gates on Conway Road.

This will ensure our children and families are safe, and will improve access to the site for all.

Palmerston Road entrance can still be used, if preferred, during drop off and collection at 8.45am and 3.10pm, but will be locked throughout the day.

If you are visiting school during the day, please use the Conway Road entrance gates.

Before half term, the children were interviewed by The Works for their social media.
