Leadership Message

I am absolutely delighted to introduce myself as the new Headteacher of our wonderful school. It has been an incredibly welcoming first week, and I want to thank everyone—staff, children, and families—for the kindness and warmth you've shown me. It's clear that this is a school at the heart of a vibrant and caring community, and I feel truly privileged to be part of it.

Stepping into this role is both an honour and a joy. I am excited to work alongside such dedicated staff and to support the brilliant children who make our school so special. Already, I've had the pleasure of visiting classrooms, chatting with pupils, and seeing the enthusiasm and curiosity that fills our corridors. Your children are a credit to you, and I feel incredibly lucky to be part of their learning journey.

We also welcome **Mrs Vercauteren** and **Mrs Povall** as our Deputy Headteachers. And **Miss Negar**, **Miss Roy** and **Miss Hussain** have joined our teaching staff.

We are very much looking forward to getting to know you all better. Building strong relationships with families is at the heart of everything we do, and I believe that when we work together, we can achieve great things for our children.

Please don't hesitate to say hello at the school gate or pop in for a chat—I'm always happy to listen and learn more about what makes our school community so special.

Thank you once again for such a warm welcome. I'm excited for the year ahead and all the wonderful opportunities it will bring.

Safeguarding—Road Safety

Always stop, look, and listen before crossing the street. Use zebra crossings or traffic lights when you can. Hold an adult's hand if you're near traffic. Never run across the road, even if you're in a hurry. Look both ways—left, right, then left again—before stepping off the curb. Road safety is everyone's job—let's all do our part to stay safe!

**2****0**

When we walked into Villa Park, we saw many fans getting ready to watch the match. We all had stickers and flags and some of us got face paints too! We saw the footballers warm-up on the pitch. That was exciting enough but then... the Andorra team entered the pitch followed by the England team and we were ready for kick-off. The cheer was ear-piercing. For many of us, this was our first live football game, and Declan Rice and Captain Harry Kane were our favourite players. In the first half, our first goal was actually an Andorran own goal. THANK YOU! In the second half, Rice scored an excellent header, making it 2-0. The stadium erupted. We all jumped out of our seats and cheered at the top of our lungs! Despite Andorra's late pressure, England went on to win the game. This game was one of the best—I'll never forget it.
