Leadership Message

This week, our Year 4 pupils stepped back in time with an inspiring visit to the West Midlands Police Museum. The experience really captured their imaginations as they explored how crime and punishment have changed over the years. From discovering old-fashioned police cells to learning about real-life investigations, the children were fascinated throughout and represented the school brilliantly.

As we approach the end of term, a reminder that the last day for children will be next **Thursday 23rd October**. School will reopen after the half-term break on **Tuesday 4th November**, and we're already looking forward to welcoming everyone back refreshed and ready for another exciting half term of learning.

When we return, we're delighted to be hosting the Book Fair during the first week back. It's always a highlight of the school year and a great way to spark children's enthusiasm for reading. Further details will follow next week.

In the meantime, from Monday we'll be collecting donations for St John's Church on Stratford Road, to support their food bank and help families in our local community. Any contributions, big or small, will be greatly appreciated.

Safeguarding— Trusted Adults

When we feel worried or unsure, it's really important to talk to a trusted adult. They can help us feel safe, listen carefully, and support us in finding solutions. Sharing our feelings can make problems seem smaller and less scary. Trusted adults—like parents, teachers, or carers—want to help and care about our wellbeing. Speaking up shows courage and helps us stay happy and healthy. Remember, you're never alone—someone is always ready to listen and help.

Please bring any Harvest donations into the school office from Monday. These will be used to support St John's Church food bank and will directly help families in our local community.
