Leadership Message

Thank you to every parent and carer who attended Parents' Evening this week. It was encouraging to see such great support from families, reinforcing the home-school partnership that helps our children grow in confidence and achievement. Your engagement signals to pupils that their learning matters and this is important to us.

Our educational visits continue to provide experiences beyond the classroom and to support deeper understanding of topics. This week Year 5 explored Stratford-upon-Avon, learning about Shakespeare's legacy and seeing the town's living history in action. On Monday, a number of pupils will travel to London to visit the Houses of Parliament, a great experience seeing the heart of British democracy. We're proud of how our students represent Conway Primary School on these trips, and we're grateful for the careful planning, safety measures, and organisation that the school staff provide.

Looking ahead to next week, we will be sharing information about a parent governor vacancy on our Local Governing Body. Details on how to apply will be provided then, including the process and timetable. If you're interested in contributing to school governance and helping steer the direction of our school for all learners, please keep an eye on the school's communications.

Thank you again for your continued support.

Safeguarding— Road Safety

Please help keep our school community safe by parking considerably around the school site. Avoid blocking driveways, crossing points, or creating hazards for pedestrians. And please **do not park on the zig-zag lines** outside of the school gates. These lines are there to keep the area clear for children to cross safely and for emergency access only. Parking here can block visibility and put children at risk. Look out for our new signs which will help to keep everyone safe! Thank you for your cooperation!
