Leadership Message

I want to start by talking about safe parking this week, especially on Conway Road and Palmerston Road. We had a very close call yesterday involving one of our pupils, which has made us all very worried. It's very important that everyone driving into school is careful, especially when it comes to how fast they go and where they park. The safety of the children comes first, and we all need to help keep them safe — whether that's being patient in traffic, parking considerately, or being extra careful around dropping-off and picking-up. Your kindness and care make a real difference and help make Conway Primary School a safe place for everyone.

Looking ahead to the last week of this term, we have lots of fun activities planned. We can't wait to watch the nativity shows, which show all the hard work and talent of our reception children. We will also have a Christmas lunch where everyone can enjoy a festive meal together, and the Christmas parties will be full of fun and games. We will also celebrate the 'Pupil of the Term' awards, to recognise children who have shown great effort and kindness. It has been a very successful term, full of progress and fun, and we want to end it on a high note. Please remember that the school closes **next Friday at 1pm**, and **nursery will finish at 11.30am** as usual. Thank you for your support — together, we make Conway Primary a safe and happy place to learn and grow.

This week, our Y2 children visited a local church and learnt about the Nativity with Toby.

Congratulations to 5J who won our Autumn prize for Attendance.

Safeguarding— Online Safety

Keeping children safe online is essential. Please monitor their internet use and set clear rules about screen time and appropriate content. Encourage them to use child-friendly platforms and never share personal information. Talk regularly about online safety, including the importance of reporting anything that makes them uncomfortable. Using parental controls and staying involved helps protect your child while they explore and learn online. For more information and advice, see the poster on p3 of this newsletter.

It's Christmas Time – Parents guide to help keep children safe online

It's Christmas Time!

It's always best to be prepared

Many parents may be planning to give electronic gadgets to their children this festive period. This guide is designed to help parents take a realistic approach to help keep their children safe when using the internet, social media and playing online games. Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school if you would like to attend a parents internet safety workshop or have any concerns.

Schools please [contact us](#) if you would like a SKIPS Safety Net session delivered to your parent groups or staff.
