Issue 19

6th February 2026

## Leadership Message

It has been absolutely wonderful to be back in school this week. I have been so touched by the warm welcome. Walking around school and seeing the enthusiasm for learning, kindness towards one another, and the strong sense of community that makes Conway so special has been a real highlight.

This week, Year 5 enjoyed an exciting and inspiring visit to the Space Centre. The children represented the school brilliantly and had a fantastic opportunity to deepen their learning through hands-on experiences and exploration. We are very proud of their behaviour, curiosity and engagement throughout the trip.

Reception, Nursery and The Hive also had a very memorable experience when they welcomed the Animal Man into school. The children were incredibly brave and respectful as they learned about, held and touched including snakes, a tarantula, a toad, an owl and more! It was wonderful to see their confidence grow and their excitement as they experienced something so unique.

A reminder that the last day of school this half term is Thursday **12th February**. Friday 13th February is a staff training day, so school will be closed to pupils. We then break for half term and look forward to welcoming children back to school on Monday 23rd February.

Thank you, as always, for your continued support

Year 5 went to the Space Centre in Leicester this week.

EYFS spent time with the Animal Man—they were all so brave!

## Children's Mental Health Week

**9th to 15th February 2026 is Children's Mental Health Week**

The theme for Children's Mental Health Week 2026 is 'This is My Place', and our aim is to support the systems around children and young people to help them feel they belong.

We will be having a **non-uniform day on Thursday 12<sup>th</sup> February** called 'Dress as Yourself Day'. Children can come to school dressed in clothing that they feel most comfortable in e.g. comfy clothes, sports clothes, princess dresses, PJ's etc. There will be NO cost for this. The children will take part in special lessons, discussions and assemblies throughout the week to celebrate this event.
