Leadership Message

It has been lovely to welcome everyone back to school this week after the half-term break. With the brighter weather arriving, it has been wonderful to see children enjoying their learning and play outdoors once again.

We are very much looking forward to our Grand Iftar next week — a special opportunity for our school community to come together and celebrate. Unfortunately this event is now sold out so well done if you managed to get a ticket.

This week also marked our first Local Governing Body meeting, where governors met to support and challenge school leaders as we continue to develop and strengthen provision for all pupils.

New information for families: late collections will now take place from the Hub. This will help ensure children are supervised safely and collected efficiently at the end of the day.

Finally, a big well done to our fantastic litter pickers, who continue to do an excellent job keeping our school environment clean and tidy. We are very proud of the care they show for our school community.

Thank you, as always, for your continued support.

Safeguarding—School Bag Check

We kindly ask that parents and carers please check your child's school bag or book bag before school everyday to ensure they are not bringing in any items other than those needed.

Things to look out for include toys, sports equipment such as footballs, mobile phones or tablets, or anything else that may be distracting, inappropriate, or that may get lost or damaged in school.

Thank you for your on-going support in helping keep our children safe.
