Leadership Message

As we move further into the spring term, I would like to take a moment to reflect on some of the wonderful moments that continue to make our school such a special place.

Our **Grand Iftaar** was a truly brilliant event and a perfect example of what makes Conway so unique and special. It was wonderful to see staff, children and members of our wider community coming together to share such a meaningful evening. Events like this highlight the strong sense of community that we value so highly in our school. A huge thank you must go to the staff who worked tirelessly behind the scenes to make the evening such a success, particularly **Miss Rehmi, Mrs Shafiq, Miss Rukhsar, Mrs Shazad and Miss Jehangir**. Their organisation, dedication and care ensured the event ran smoothly and was enjoyed by everyone who attended. We are also extremely grateful to the local businesses who generously supported the event: **Tandaks, Junaid's and Jilabi's**. Their kindness and community spirit helped make the evening even more special.

I would also like to thank our parents and carers for the incredible support you continue to show the school. Your engagement makes a real difference. Attendance at Conway remains **solidly above the national average**, which reflects the value our community places on education. We are also delighted by the number of parents who attend assemblies and workshops and support our educational visits. The fantastic support shown for **World Book Day** was another wonderful example. It is clear that when school and families work together, we can provide the very best opportunities for our children.

Please also take a moment to look at **page four of this newsletter**, where you will see the wide range of activities now available during lunchtime. These opportunities give children lots of positive ways to spend their time, and it is lovely to hear them talk about how much they enjoy the activities. Behaviour incidents at lunchtime are very rare, and pupils are telling us how much fun they are having.

Thank you, as always, for your continued support of our school community.

Entrance Moving to Conway Road Gates

From Monday 13th April 2026, we are moving the school main entrance to the main gates on Conway Road.

This will ensure our children and families are safe, and will improve access to the site for all.

Palmerston Road entrance can still be used, if preferred, during drop off and collection at 8.45am and 3.10pm, but will be locked throughout the day.

If you are visiting school during the day, please use the Conway Road entrance gates.

PARENT SURVEY

We will be emailing out a Parent Survey very soon.

With all the changes this academic year we want to hear from you to see what is going well and what we could do better.

Please keep an eye out for the email containing the survey link.

You can check your contact details are up to date by going to [MCAS > Data Collection Form > View Your Personal Details](#).

Thank you for your continued support.

Celebrating Community

A big thank you to everyone who joined us at the Grand Iftar on Wednesday 4th March. The evening was a great success and we enjoyed seeing all the families in school sharing a lovely meal. A huge thank you to all the people who made this wonderful evening happen. If you missed it, be sure to book on next year when tickets are released.

New Lunchtime Provision

We have started our new lunchtime provision, making sure children have a fun activity that they can enjoy every day. With activities such as cricket, basketball, football, bike-riding, Lego, or imaginative play to choose from, the lunchtime provision is helping our school improve student behaviour and relationships. Thanks to all the staff who worked hard to get the site ready for the activities. Ask your child what they did at lunchtime today!
