

Leadership Message

As we settle into the new school year, I would like to extend a heartfelt **thank you** to all the parents, carers, friends and family members who attended our curriculum meetings this week. Your support of the school and commitment to your children's education is truly commendable and very much appreciated. Working together in partnership gives our children the very best opportunity to succeed, and we are grateful for the time you took to join us.

Across the school, learning is in full swing, and it has been wonderful to see the enthusiasm and excitement that children are bringing to their lessons. From Year 2 exploring the fascinating events of the **Great Fire of London** to Year 6 investigating the impact of **migration** on communities and society, children are already demonstrating **curiosity** and a real **eagerness to learn**.

Our Year 1 children have been busy discovering **Where We Live**. They enjoyed a walk around the local area this week to help them understand where Conway School sits within our neighbourhood. While they were looking closely at human and physical features, the highlight for many was undoubtedly a flock of fifty pigeons flying overhead!

Many of you will have noticed our new Conway **Uniform Swap Shop**. The rack is currently full of items that have made their way into our lost property collection, so please take a moment to check whether any belong to your child. Any unclaimed items at the end of each half term will be offered free of charge to families as part of our commitment to reusing and recycling. If you have any good-quality uniform that your child has outgrown, we would be delighted to receive donations. Please leave these at the school office or place them directly on the rack.

Finally, a reminder that our CEO, **Jo Harrison**, will be visiting Conway this week. If you see her around school, please take a moment to introduce yourself and give her a warm Conway welcome.
