

Leadership Message

This week, we had an external review of safeguarding at our school. I am very pleased to share that the review found that our safeguarding procedures are **secure and very effective**. Keeping our children safe is the most important thing we do, and all of our staff work very hard every day to make sure children feel safe, happy and supported in school. It was lovely to have this hard work recognised by someone from outside our school. We will continue to work hard to make sure that every child feels safe, knows who they can talk to and gets the help they need.

On Tuesday, we are looking forward to welcoming our new CEO, Jo Harrison, to school. She will spend some time visiting classrooms, meeting our children and staff, and getting to know our school. She will also be on the playground before school on Tuesday morning. If you see her, please come over and say hello! We are very proud of our school and our families, and we are looking forward to giving her a warm welcome and showing her what makes our school such a special place.

Finally, we have been really pleased with how well the children have settled into school this year. They are working hard, following our school routines and showing positive behaviour. Thank you to all of our parents and carers for supporting the school and our staff. Please continue to read with your child regularly at home and talk to them about the importance of good behaviour, being kind and showing respect to others. When families and school work together, it helps our children to do their very best. **We are stronger when we work together**, and we really appreciate your continued support.

Safeguarding: Online Safety

Passwords are the key to your family's online world. Encourage children never to share passwords with friends and to use strong, unique passwords for different accounts. Where possible, enable two-factor authentication. Regular conversations about online safety help children develop responsible digital habits and stay protected online.

We have spaces in Nursery!

Fantastic **free** Nursery provision with qualified teachers to make a great start for school.
