It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • A number of sports teams and competitive opportunities for children to take part in both of an intra and inter nature. • Year 6 Playground Leaders delivering sessions at lunchtime. • Range of opportunities for pupils to take part in organised sport at both break and lunchtimes. • PE scheme supporting teaching of skills and games. 	<ul style="list-style-type: none"> • Provide opportunities for all pupils to take part in daily activities • Enhance the opportunities with pupils leaders from across the school • Attend as many competitions and festivals as possible to ensure pupils take part in competitive sports • Create opportunities to host events with children attending from other local primary schools. • Directly target pupils classed as EAL, SEND and PP to ensure that they are taking part in the wide range of sporting activities available both within outside the school day. • Arrange bikeability to encourage pupils to come to school in ways other than by car.

Academic Year: 2020/21	Total fund allocated:	Date Updated: 01.10.2021	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation: £7500 33%
Intent	Implementation		Impact
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:
			Sustainability and suggested next steps:

Continue to build on our Active Playgrounds initiative – more pupils taking part in activities at break and lunch times in both KS1 and KS2 with a varied range which reflect the pupils’ interests and skills.	Ensure that all staff feel confident to lead activities during breaktime and offer a widening range through listening to the pupils. At lunchtimes continue to train all staff in providing a wide range of options where staff feel confident to join in and develop skills of pupils including challenges that test their resilience.	£1500 cost of time for ongoing training throughout the year	All pupils will have equal opportunity to take part and some pupils will be targeted for varied reasons to engage. Accidents at break and lunchtimes will decrease (monitored through accident books). Staff confidence will increase and they will be role models for active playtimes.	
Further develop the Play Leader scheme. Use of Playground Leaders to deliver activities at lunch time as a means of engaging children in regular physical activity.	Pupils will be selected during Autumn 1 and will be trained to enable them to have knowledge of a variety of games and to have leadership skills to manage the children that are playing their games they are leading. This training will continue throughout the year to ensure that games are regularly updated to sustain interest and develop further skills. Development of play leaders as ambassadors for physical activity also contributes to their character development.	£1500 for training time including staff cover	By setting up pupils to take part in play leader training in order to run self-sustaining games during break and lunch times this will develop resilience and their aspirations. By being and by having play leaders this will promote the use of social skills, oracy and exercise through the games and activities delivered.	
Appoint a PE Champion to co-ordinate the quality of PE and activity throughout the school and contribute to raising standards across the school.	Appoint a PE Champion with passion for the role and the skillset to develop the subject further.	£3000 to include training and cover	A dedicated champion will ensure that all pupils have access to a high quality curriculum which includes lessons, breaks and extra-curricular activities.	
PE Champion to coach staff across the school to raise staff subject knowledge and confidence.	Raising staff subject knowledge will lead to enhanced delivery of PE which will in turn ensure pupils are more engaged.	£1000 for cover. Training included above.	A dedicated champion will ensure that all pupils have access to a high quality curriculum which includes lessons, breaks and extra-curricular activities as well as raising staff confidence.	

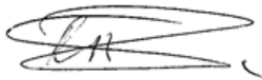

Attendance at local network meetings to keep informed of current agendas and trends.	PE Champion to attend regular network meetings and share good practice.	£ 500 for cover	Access to up-to-date PE curricula and styles, access to local links and opportunities.	
All children in year 5 and 6 to take part in the bike ability programme – use this programme to encourage children to cycle more.	Book with Bikeability.	£1500	Pupils are able to independently travel and reduce their carbon footprint and can cycle for exercise and enjoyment safely.	
Continue to embed weekly Golden Mile activities.	Each Key Stage will have a set time to complete their active time. Staff will continue to be trained in ways to make it exciting week on week.	£300 for training and certificates and celebration items as rewards	Pupils kick-start their healthy life-style by having an exercise which needs no equipment and can be done anywhere at any time thereby developing their options for the future.	
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation: £550 2% (Some costing included in K11)
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Embed new PE scheme of work to deliver high quality teaching and learning and improve the PE skills of Conway pupils and staff	Through the PE Champion, embed the use of the scheme and coach staff to be confident in delivering high-quality PE and SS.	Included in KI 1.	Raising the quality of PE and SS across the school.	

Sporting opportunities and success stories.	In assemblies talk about sporting opportunities and activities which have taken place. This inspires young children to want to get involved in activities and sporting opportunities.	No cost	Pupils are encouraged to talk about their sporting achievements in assembly and this has proved a popular feature with pupils keen to share and celebrate with their peers and encourages others to take part.	
Ensure staff, children, parents and the wider community are fully aware of PE and sports events and activities within the local area.	Promote through social media where appropriate.	No Cost	Pupils have more opportunity to take part in sports outside of school thereby developing an independent healthy lifestyle.	
Investigate and apply for School sports mark.	Ensure there is lots of sporting activities and opportunities for the children both in and out of school to meet minimum standard	Approx £550	Raising the profile and engagement of activity within and beyond school.	

Key indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
