

## February 2024 Newsletter

What a super speedy half term! It seems to have passed us by in the blink of an eye and we have managed to cram so much in. We will start with a huge congratulations to Mrs Shwalbe whose baby boy has been born – details and photos to follow.

### Reception

If you follow us on Twitter (X) you will know that Miss Lewis and Miss Antoniou have settled into Reception very quickly. From building obstacle courses to popping to the shops every day is a new adventure – I'm not sure who is enjoying themselves more – the children or their teachers!

### Talented Pupils

This half term our pupils have been focusing on their artistic talents. Darrell Wakelam worked with our Year 3 pupils to create an outstanding piece of artwork focusing on the Ancient Greeks. Year two continued their work around animals and created some impressive shadow work.

### Stay and Play

Miss Antoniou's stay and play group on a Friday morning continues to grow. Each week they have a theme and lots of fun. If you have a child from birth to school age (or know someone who does), please come and join us on a Friday morning from 8:30-9:55.

### Year Six

Our wonderful Year Six team have had a great week. They started with a visit to the RAF museum where they learnt an incredible amount about World War 2 – the curriculum focus that they have been working on.

On Tuesday they then joined a live lesson to learn all about staying safe on the internet – such an important

topic for us all to be aware of.

Have a wonderful half term break and we look forward to seeing you back on February 20<sup>th</sup> for another fabulous half term of learning..

Best wishes,

  
Mrs Eaton
