

We have had another spectacular week at Conway Primary School! It was a pleasure welcoming back Mr Darrell Wakelam, who worked with children in year 3 to create an artistic masterpiece! Plenty of other wonderful experiences this week. Enjoy!

A GREAT WEEK!!

Car Safety

While on the gate and talking to parents, I have noticed several children in cars without seatbelts. Please ensure your children are wearing seat belts and have the correct booster seat. It could save lives!

What to Know about Booster Seats

Why are they so important?

Booster seats help protect kids who are too big for a car seat but too small for just a seat belt.

Although seat belts are safer than nothing at all, children who should be in booster seats but wear only seat belts are at risk of **severe abdominal, head and spinal injuries** in the event of a crash.

Booster seats can **reduce the risk** of serious injury by 45 percent compared to seat belts alone.

Motor vehicle crashes* are the **second-leading cause** of death for children 4 to 10 years old.

423 children this age died in motor vehicle crashes* in 2021.

At least **37%** of these children were riding without a restraint that could have saved their lives.

* vehicle occupant fatalities

The National Highway Traffic Safety Administration's 2021 *National Survey of the Use of Booster Seats* found that among children ages 4 – 7 only 73.2 percent of children observed were restrained in either forward-facing car seats or booster seats, while **16.1 percent were prematurely transitioned to seatbelts and 10.6 percent were unrestrained.**

A child should remain in a booster seat until they have outgrown the seat by height or weight according to the booster seat instruction manual.

Buckle up every ride, every time, in the right seat.

LEARN ALL ABOUT PANTS WITH PANTOSAURUS!

P RIVATES ARE PRIVATE

Your underwear covers up your private parts and no one should ask to see or touch them. Sometimes a doctor, nurse or family members might have to. But they should always explain why, and ask you if it's OK first. Remember, what's in your pants belongs only to you.

A LWAYS REMEMBER YOUR BODY BELONGS TO YOU

Your body is yours, and no one should touch your private parts or any other parts of your body that you don't want to be touched. No one has the right to make you do anything that makes you feel uncomfortable. If somebody does make you do something, it's never your fault. Even if the person who has made you feel uncomfortable has told you it is your fault.

N O MEANS NO

You always have the right to say 'no' – even to a family member or someone you love. You're in control of your body and the most important thing is how YOU feel. If you want to say 'No', it's your choice.

T ALK ABOUT SECRETS THAT UPSET YOU

There are good and bad secrets. Good secrets can be things like surprise parties or presents for other people. Bad secrets make you feel sad, worried or frightened. You should always talk to a safe adult who you trust about a bad secret or anything that doesn't feel right.

S PEAK UP, SOMEONE CAN HELP

Talk about stuff that makes you worried or upset. If you ever feel sad, anxious or frightened you should talk to a safe adult who you trust.

This doesn't have to be a family member. It can also be a teacher or a friend's parent – or even Childline. Talking shouldn't get you into trouble, even if somebody has told you it will. If something has happened that makes you feel uncomfortable, it is never your fault.

You can also talk to Childline. Call 0800 1111 or contact them online at [Childline.org.uk](https://www.childline.org.uk). Someone will always be there to listen.

Have you talked PANTS yet?

Since 2013, Pantosaurus has helped **over six million parents** to Talk PANTS and help keep children safe from sexual abuse.

Developed with children, parents, carers and teachers, Talk PANTS is here to help children understand that their body belongs to them, and they should tell a safe adult they trust if anything makes them feel upset or worried.

Tips and advice to help keep your kids safe

Talk PANTS is here to help children understand that they have a right to say no and if they need to speak out about something, someone will listen.

We know that a simple conversation can make a BIG difference, and that's what Talk PANTS is all about. To help you get the conversation started, we'll send you helpful tips, advice and materials by email. See: [Let's talk PANTS with Pantosaurus! | NSPCC](#)
