Welcome Back and Inset Day

Welcome back to the start of the Summer Term. I hope that you all enjoyed your break and did lots of enjoyable things. The children have certainly returned to school refreshed. On my visits to classrooms during the week the children have settled well into their routines and learning, so a big well done to them!

The Summer term is always a busy one and there is plenty going on in school with Year 11 students finishing off their accreditation work and others sitting GCSE exams; we will also be planning for various events and visits, as well as welcoming the new students who will be joining us in September and their parents/carers.

Just a reminder that the Academy will be closed on Monday 15th April 2024 for our Inset Day. We will be open as usual on Tuesday 16th April 2024 at 8.40am.

Curriculum Content Documents

Curriculum Content Documents have been sent via Parent Mail on Monday for your child's class for this term.

Our Space Visit with Ash Class

On Monday, Ash class visited Our Space. The aim of the visit was to find out about activities available for them and how they can be accessed. The students asked questions and listened as Jane, the manager, explained about the different sessions and clubs.

"Our Space is a local charity that helps children and young people with lots of needs."

"It will cost £37.50 a month but we can go for 48 weeks."

"They have family sessions so Mums and Dads can come with us."

"The disco nights and school holidays look good."

"We can go to a youth club every Thursday night from 6 until 8 o'clock."

Pickleball

On Tuesday Harold from Pickle People came in to show students from Holly and Cherry classes what Pickleball was all about. Students learnt some new skills and even got to play a game. Everyone had a great time and really enjoyed learning the new game.

Forest School with Birch Class

This week in Forest School, Birch created a giant spider's web using string. The aim of the game was to get through the web without ringing any of the bells that Ms Russell and Miss Amy had sneakily added. Students helped each other by sharing ideas, giving directions and offering advice.

Outdoor Plant Donations

We are asking for outdoor plant donations. Any healthy spare vegetable plants, bulbs, seedlings, cuttings or plants would be gratefully accepted. We will be using them during our Enrichment lessons to help create greener areas around the Academy and increase our chances of winning Gold in Newcastle in Bloom.
