## This Week

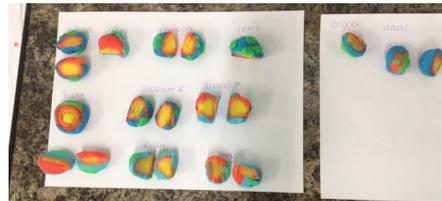

Students old and new have settled extremely well back into the Coppice life. As you can see from the pictures below students are thoroughly enjoying their lessons and are thriving.

Today we have appointed our school student council (further details below).

Parents and carers should be extremely proud of how their children have conducted themselves during these first two weeks.

## Humanities with Birch Class

In Humanities this week, students in Birch class have learnt about the layers of the earth and explored its cross section. Students created their own cross section models using their knowledge of the different layers! Well done Birch class!

## Science with Nutmeg Class

This week in Science students in Nutmeg have looked at energy transfers.

## Science with Sycamore

Sycamore had a fantastic first science lesson. They went on a bug hunt, identified the bugs and talked about where they like to live.

## School Student Council

This week students took part in school wide elections for their class representatives. Following some

nail biting run offs in room 2, the newly formed student council met in the hall to elect their president and vice president. Well done the Ryan (Holly class) and Danyl (Ash class), who have been elected to their respective roles.

## Upcoming Diary Dates

6th October—Flu vaccinations (electronic consent letters sent via parent mail on 07/09/23)

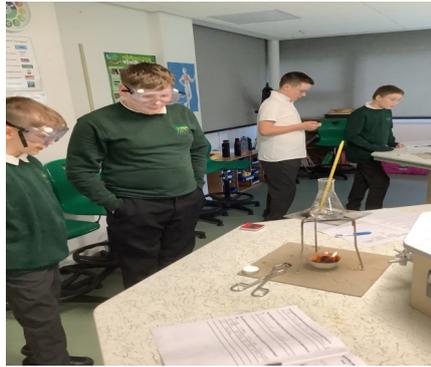

Wednesday 11th October— Key Stage 3 Parents/Carers Morning (more details to follow)

Thursday 12th October—Key Stage 4 Parents/Carers Morning (more details to follow)

# UPCOMING EVENTS

## Science with Ash Class

This week students in Ash have investigated which snack foods have the most stored energy.

## Flu Immunisation Session

The School Immunisation team will be visiting the Academy on Friday 6th October 2023 to deliver the Nasal Flu spray. The link to the consent form is in the letter that was sent via Parent Mail last Thursday. If you wish your child to have the vaccination consent forms must be submitted by 10am on Thursday 5th October.

## App Concern

We have been alerted to a new app from a Local Authority Safeguarding Team who have been contacted by their Crisis CAMHS Team to express concerns around children accessing an app called Quora. This is reported to be a site that gives tips, and encouragement to children in taking their own life. Please continue to be vigilant in regard to your child's access to apps/ internet sites, if you find your child is accessing this site please alert the Academy and we will direct you to the appropriate support.

## Contact Details

If any of your contact details have changed during the summer holidays (e.g. new phone number or email address) or have moved house please contact reception, so we can update our records.

Thank you!
